After Whistle Goal Claimed in Montreal-Detroit Hockey

DETROIT Jan. 28— Montreal Maroons climbed into a tie with Toronto Maple Leafs for third place in the standing of the Canadian section of the National Hockey League by defeating Detroit Falcons last night in a close game. Manager Jack Adams of Detroit is considering protesting the game as both he and the timekeeper claim that Montreal's first goal was scored after the siren had sounded for the end of the first period. Both ice officials overruled the timekeeper, however.

Toronto lost to the Americans at New York in another tight game while Philadelphia surprised the fans by holding the strong Boston Bruins to a tie.

Last night's scores:

Moroons 2, Detroit 1.

New York Americans 3; Toronto 2.

Boston 3; Philadelphia 3.

Three gold trophies, one silver trophy and $3,325 in cash prizes will be at stake when the leading dog mushers of the world compete in the three-day Eastern International Dog Derby at Quebec on February 19, 20 and 21 for the sled-dog racing championship of the world. The winner of the famous classic derby over the hundred and twenty one mile course will receive $1,000 in cash, the club's silver championship cup, a right to one-third permanet ownership of a gold cup, a miniature replica of the same trophy and the blue championship ribbon, according to the list of prizes, rules and regulations issued recently by Louis Hudon, chairman of the board of directors of the Dog Derby Club.

Nine additional cash prizes amounting to a total of $2,000 will be awarded to the nine mushers following the winner crossing the finish line. The red, yellow, white and gray ribbons will be given to the teams finishing second, third, fourth and fifth place. Leonhard Seppala, hero of the dash to Nome, who captured the derby honors in 1929 and Emile St. Goddard, recognized as King of the dog drivers, who won the derby last February, already hold one-third permanent ownership of the gold trophy donated by R. S. Coltart to be won three times before it becomes the property of the holder.

For the encouragement of the production of a type of useful sled-dogs and to encourage breeders three prizes amounting to $200 in cash are awarded by the Derby Club for the three drivers whose dogs are judged in the best condition during the race. The winner of the first of three condition prizes, $100 will also be awarded a one-third ownership on a gold cup donated by W. R. Brown. Leonhard Seppala, having obtained 145 points out of a possible 150 both in 1929 and 1930, already holds two-thirds ownership on this special trophy for condition of dogs. The total distance for the three-day derby will be 121 4-5 miles. The teams will cover 40 3-5 miles on each of the three successive days of the race.
