FASHION HINT

"How to make my old short skirts conform to the new length was a problem to me until I hit on this plan. I dropped the hems; and as the part that had been turned under was darker than the rest, I reduced the entire dress, after having bleached the goods, following directions in the Diamond Dyes package.

"I used Diamond Dyes for the redveing, of course. I have dyed many things with these wonderfu olors. They have saved me many dollars and have never failed to give perfect results-smooth, even colors -fast to wear and washing. Friends think my things are new when redve or tint them with Diamond Dyes. Sleepless NERVES

The nerves themselves never sleep. The involuntary nerves must work all the time or the vital organs would cease to function. It is only when supplied with nerve force that the heart beats, the lungs breathe, and the other vital organs perform their

The unfortunate condition is when you cannot sleep. The weak, irritated nerves will not let you rest. So day by day you are losing vital energy until sooner or later must come a nervous breakdown.

Sleeplessness and headache are the warning signs when the nerves go wrong. You may also have indigestion and feelings of fatigue. All the vital organs sooner or later slow up, when nerve force is lacking.

The most certain restorative for the nerves is Dr. Chase's Nerve Food. It has proven its effect in so many thousands of cases that there is no question of its merits.
