Pneumonia Left Her With a Terrible Cough

Mrs. A. W. Power, 581 Jane St., Toronto, Ont., writes: "Eight years ago I had a very serious illness. I had a bad attack of pleurisy and pneumonia and was six months in bed. This illness left me with a terrible cough. I tried several cough medicines, but they did not seem to have any effect. One day my mother brought me home a bottle of Dr. Wood's Norway Pine Syrup, and after I had taken several more I noticed my cough gradually leaving me. Since that time if ever my husband and children or myself have had colds I always get 'Dr. Wood's.'"

Mr. Victor Heath, of Thornton Heath, writes: "For many years I have suffered with that distressing complaint—constipation, and its attendant effects of sick-headache and indigestion. It was a red-letter day for me when a friend recommended me a treatment of Carter's Little Liver Pills, and I can honestly say that results have been truly marvelous. I now enjoy good health and feel that life is worth living. The relief I have experienced compels me to add my sincere tribute." Take Carter's Little Liver Pills. All druggists 25¢ and 75¢ red pkgs.
