FORDSAFETY

Shatterless glass windshield has saved many lives in collisions

EVERY new Ford is equipped with a shatterless glass windshield. This minimizes the dangers of flying glass. It has saved many lives and prevented countless injuries in silicon alloy valves, torque-tube automobile accidents.

The shatterless glass windshield is just one of many features that make the new Ford a value far above the price. Others are the silent, fully enclosed four-wheel brakes, sturdy steel body construction, four Houdaille double-acting

hydraulic shock absorbers, more than twenty ball and roller bearings, extensive use of fine steel forgings, aluminum pistons, chrome drive, three-quarter floating rear axle, Rustless Steel, and unusual accuracy in manufacturing.

In addition, you save many dollars because of low first cost of the new Ford, low cost of operation, up-keep and service, and low yearly depreciation.

LOW PRICES OF FORD CARS

\$515 to \$755

* All prices f. o. b. East Windsor, Ontario, plus taxes. Bumpers and spare tire extra at low cost.
