Must Be Rescued From Morass of Economic Depression Into Which It Is Sinking—Imperial Conference May Discuss Proposal

OTTAWA, May 15:-The coming Imperial conference at Ottawa would be an excellent place to start restoration of the value of silver, J. F. Darling, director of the Midland Bank, told the banking and commerce committee of the House of Commons today. Something had to be done to rescue the world from the economic morass in which it

is sinking, he declared. He outlined a scheme contemplating the formation of an Empire bank which would make possible a bi-metallic basis of + UNITED PACIFIC IS currency, silver being restored to its place alongside gold with a value ratio of one to twenty in favor of

CHANGE IS NECESSARY

Reconstruction of Economic System is Urged by Pope Pius in Pronouncement Today

ROME, May 15- Reconstruction of the entire economic system by bringing it back to the requirements of social justice so as to ensure more equitable distribution of the united proceeds of capital and labor was urged in an encyclical letter issued today by Pope Pius, following a radio address.

The Pope condemned the concentration of wealth.

Defeat In Presidential Contest Yesterday Seen As End of Briand Career

PARIS, May 15:-Some political observers see in the defeat of Aristide Briand in the presidential poll at Versailles of the Senate and Chamber of Deputies yesterday the end of the picturesque career of the great French statesman. Briand withdrew from the contest after the first ballot returned 442 votes for Paul Doumer, Pacifist, against 301 for himself. The result of the poll caused a sensation in political

That Briand was deeply affected by the result was evident. He fainted and was rushed to bed.

Wages For Forest Fire Fighters Is Reduced By Government; Will Be In Line With Lumber Industry

VICTORIA, May 15:—Compensation for fire fighters and 4c. was reduced by the provincial government yesterday from 25c an hour with board to the same amount without board. Where fire fighters are unable to board themselves, the government will deduct \$1 per day from the wages for feeding them. The change is designed to make fire fighting wages in keeping with those

prevailing in the lumber industry. The government is also consider- REGINA ing a proposal to introduce a half holiday on Saturdays in road work
