DO YOU TAKE AN INTEREST IN THE FASHIONS OF 1931?

WITH which we make bold to remind The Men there are fashions in radios, razors, automobiles and fountain pens as well as wearing apparel.

Most women appreciate the authenticity of the fashion news—in regard to silhouettes, coming frills, passing fancies, and the colorful details of the mode — to be found daily in the advertisements. . . . Fashions these days are not confined to clothes. Automobiles, interior decorations, table service, vacations, even breakfasts are more satisfying, if, to use the word of the thirties, they are SMART.

Advertisements are continually chronicling the fashions that are smartest. Advertisements keep you informed of the mode in merchandise of all kinds. Advertisements are full of information about the new ideas that make Canadian life what it is today.

If you are interested in better living, you are bound to find the advertisements worth while!

Expenditures for the year totalled $85,801.50 including $73,707.95 in salaries and the balance in accounts, Mr. Williamson reported. Since the estimates for the year had totalled $90,350, there was a balance of $4,548.50 on the right side of the ledger for the year's operations.
