NEWS OF THE MINES AROUND PRINCE RUPERT

Mining Merger at Stewart Planned - Gold Ore in Big Missouri — Activity in Chickamin

Reports of a proposed mining merger in the Salmon River section are exciting much speculation in Stewart. The companies mentioned in the consolidation are the Woodbine, Premier Extension and Alaska Canadian. If such a deal were consummated, it would be a good thing for mining in that district. The three companies control property amounting to some five hundred acres and extend about a mile and a half along the main gold zone of the district. Hugh McGuire, managing director of the
