NEW ZEALAND CUTS CANADA OFF PREFERENTIAL TARIFF

Southern Dominion Has Taken Action Because No Agreement Reached

Stevens Says It Is Only Temporary Expedient and That Advantages Will Be Restored to Canadian Goods Under New Understanding

WELLINGTON, New Zealand, June 1:-The New Zealand government today decided that the entire range of anadian imports, with the exception of gumboots and certain classes of paper and wire, shall be placed on the general tariff list. This action is taken as a consequence of failure to reach an agreement with Canada regarding reciprocal tariffs.

OTTAWA, June 1:-Hon. H. H. Stevens, minister of trade and commerce, believes that the New Zea- - CANADIAN AIR MAIL land tariff action is only a temporary measure, pending the signing . of a new treaty which would replace the advantages of the British preference on Canadian goods.

WEATHER

Half Sunshine and Twice Rainfall As Same Month Last Year

Prince Rupert in the month of May this year had only about half as much sunshine as in the same month last year while there was twice as much rain. In the month just ended there was a total preci- 000 pounds; holding over, 28,000 pitation of 8.42 inches as compared pounds with four inches in May, 1930. Sunshine for this May totalled 91.1 3c to 6.2c and 3c.

hours as against 183.4 hours. So far this year there has been a total of 279.5 hours of sunshine as compared with 577.1 hours in the first five months of 1930. Precipita- Kanaga, 25,000, refused 6c and 3c tion so far this year has aggregated 48.80 inches as against 28.14 inches in the corresponding period of last

DeHaviland Gypsy Moth Seaplane, First Unit of Local Air Fleet, Is On Way Here From Vancouver

First unit of the aerial fleet of the newly formed Northern British Columbia Airways, a DeHaviland Gypsy moth seaplane equipped with a British DeHaviland engine and with all other up-to-date fittings, piloted by D. Murphy and with Ole Rollag on board as air engineer, hopped off at 7 o'clock this morning from Vancouver for Prince Rupert.

The ship arrived safely at Alert Bay

and will break the hop there for refuelling. If all goes well, the machine should arrive here tomorrow, stopping en route at Swanson Bay. The plane has two seats in open cockpits and is well fitted for passenger and freight service in which it would be operated out of here.
