Chinese Demands Right or Wrong?

Are the Chinese right or wrong in asking for the same pay and treatment as British subjects who fought in the war? On the face of it there seems no good reason to say that they should be paid less or denied any of the other privileges which have been granted to men who served the Empire.

It must be remembered, however, that China was at war with Germany just as much as was Britain. She did not do very much fighting, but had she lost there would have been an immense bill for them to pay. They would have been taxed almost out of existence and they would certainly have lost much territory. Germans would have been in power at Hongkong, Shanghai, Shantung and other places and practically the whole country would have been subsidiary to the Teuton empire.

If the Chinese soldiers are to be rewarded for fighting in France, and no one would deny them that right, it should be the Chinese Government that would reward them. They are the gainers from the winning of the war. They gain much more than does Japan.

British Soldiers Coming to Country.

Many British soldiers are being sent to this country to recuperate following the war. We have a climate that is good for men with chest and lung trouble, so a colony is to be formed at some suitable point. We are told also that many women are coming to Canada who have for several years been engaged in war work. We should welcome all these people. We have so many undeveloped resources that it should not be difficult to provide for half a million or a million men and women. It will be part of our contribution to the war, that we can look after some of those who have been fighting.

Need of Wharf at Stewart.

A wharf is needed at Stewart just now. Both the Dominion and British Columbia Governments are fully aware of the facts and have expressed themselves as ready to do their part in providing it. Unfortunately, however, there is a disagreement over some detail. We do not know which is at fault. We do not care which it is. What we know is that there is a great need and the work has already been held up many months while the red tape is being unwound.

While Stewart is waiting, Hyder is having a boom. The Americans are taking advantage of the situation. They are, with their usual energy, building up the American border town while the Canadian town is asleep. At a time like this and under the peculiar conditions that exist it is to be hoped the Governments will get together quickly and see that a suitable wharf is erected at once and that everything is done to give Stewart a chance in the fight for existence as a mining town and supply centre for the Salmon River and other mining points up Portland Canal.

ANOTHER VICTIM OF RHEUMATISM

Finally Well After Six Weeks' Treatment With "FRUIT-A-TIVES"

MR. AMEDEO GARCEAU

32 Hickory St., Ottawa, Ont.

"I was for many years a victim of that terrible disease, Rheumatism. In 1913, I was laid up for four months with Rheumatism in the joints of the knees, hips and shoulders and was prevented from following my work, that of Electrician.

I tried many remedies and was under the care of a physician; but nothing did me any good. Then I began to take 'Fruit-a-tives' and in a week I was easier, and in six weeks I was so well I went to work again.

I look upon this fruit medicine, 'Fruit-a-tives', as simply marvellous in the cure of Rheumatism, and strongly advise everyone suffering with Rheumatism to give 'Fruit-a-tives' a trial."

BURIED TREASURE

Valuables Hidden from Hungarian Communists Now Confiscated By New Government.

BUDAPEST, Nov. 28.—The twenty-first case, containing 100,000,000 crowns has been found buried deep in the cellars of Count Karolvi's palace. The treasure consisted of stocks, bonds, silver and gold. The Communists searched for this hidden wealth in vain during the regime of Bela Kun, and it has now been confiscated by the Hungarian Government.

SWEEPING VICTORY

LONDON, Nov. 29.—The Government won a sweeping victory in the Commons when the motion of William Brace, labor leader, calling for the appointment of a committee to inquire into the cost of production, output and prices of coal was rejected. The Government received 254 votes as against 59 for the measures.

Nick Gurvich appeared in the police court again this morning on the remanded charge of having liquor in his possession. The samples which were sent to Victoria have not yet been returned so the case was further adjourned until Thursday, December 4.
