A combined team of the local R.C.N.V.R. and the N.B.C. Regiment Rifle Association met a team from H.M.S. Dragon on Sunday at the McNichol Creek range across the harbor. The teams were taken across by the Pacific Salvage launch 23. Pioneer Sergeant Eastman attended to the refreshments and O. R. Sergeant Unwin had charge of the score book.

HAZELTON IS WINNER

Handed Prince George Six to Nil Trimming at Baseball

PRINCE GEORGE, Aug. 10:—A hustling Hazelton ball club journeyed to Prince George in the course of a tour of the northern interior and had things pretty much their own way when they handed the boys of this railway centre a 6-0 defeat.

A large Prince George crowd enjoyed the smart baseball dished up by the Skeena team and was quick to admit that the latter deserved its win. Hazelton, nevertheless, showed signs of the strain of travelling and contributed as many as four errors to the box score but none of these were costly and, by tightening up in the pinches, they earned themselves a shutout victory.

Teepooten chucked for Hazelton and, in spite of the cold weather, was in his usual good form, allowing only three hits; striking out 11, and walking only one.

By virtue of this win, Hazelton remains undefeated on its tour and has extended its unbroken string of victories which dates from July 1. The closest call they had was in Vanderhoof where they tied that team 5-5 in six innings, a game which was ended by darkness. Later they came back and, in the replay, with a badly crippled team, pounded out a 13-10 victory in nine innings with the Nechaco centre.

The following is the score by innings of the Prince George game.

Hazelton	0	1	0

NO WHALER RACE

Owing to the light cruiser's best boat having been smashed up, the whaler race, which was to have been held yesterday between H.M.S. Dragon and the local R.C.N.V.R., was not pulled off. The local R.C.N.V.R. is looking forward to a cup race with H.M.C.S. Skeena when the new Canadian destroyer visits here shortly.

Prince Rupert C. N. R. A. Softball Team Captures Championship of Northern B.C. Over Prince George

The C. N. R. A. softball team from Prince Rupert won the first of the Northern B.C. championship series games from Prince Rupert C. N. R. A. Saturday evening by a score of 5-2. The second game was played on Sunday afternoon when the local C. N. R. A. made a comeback and defeated the visitors 14-2. This win made a deciding game necessary and after a few minutes intermission the third game was played. The local boys proved to be a trifle the better team and won the deciding game by the close score of 7-5.

On Sunday evening, a game was staged between the Prince Rupert all-star team and the Prince George C. N. R. A. in which the local team won—but only after an extra inning had been played, the final score being 4-2.

The visitors had a fine combining team of players, and were very good sports and good losers, although they tried very hard to carry home the honors.

The first game of the week-end was between the local R. C. N. V. R. and the H. M. S. Dragon, in which the local fellows managed to win out by the close score of 5-4, it being a real fast game.

On Sunday morning the local C. N. R. A. took the visitors for a boat trip on the harbor and over to Salt Lakes for a swim, some of the Prince George men proving to be very much at home in the water.

The Prince George team returned home on today's train.

The postponed Canadian Legion picnic was held yesterday at Digby Island where a big crowd enjoyed the delightful weather and an interesting sports program.

The refreshment committee consisted of Messrs. Shubert, N. Short and W. Burke. This committee is very loud in its praises for Skipper George Frizzell and the Laura F. for their invaluable help in conveying people and supplies to and from the picnic grounds.

The sports committee included J. S. Wilson, Jack Judge, J. Smith, C. Youngman, J. R. Anderson.

Members of H. M. S. Dragon took part in various events and the tug-of-war between a team from the cruiser and one from the Legion was a feature. The Legion team won after a very long, strong pull under the able coaching of Jack Judge and with Chief of Police Service doing the "rock of Gibraltar" stunt an anchor man, "unable to be moved."

LESSON IS THRILLING

Mike Hudema Gets Practice in Airplane Control at High Altitude; Local Shop Had Busy Sunday

Mike Hudema, local student flyer, had the most thrilling lesson of his course so far yesterday when Pilot F. Murphy had him take the Gypsy Moth seaplane of the Northern B. C. Airways up to an altitude of 10,000 feet and then put the ship into right and left spins so that practice might be had in machine control. As in other phases of flying, Mike proved an apt pupil. He has now but to get his landings down a little finer before he will be ready to take solo flights.

The local plane had a busy day yesterday. Flights were made with officers from H. M. S. Dragon. Mrs. G. A. Woodland and her two nieces were also taken up for short trips.
