

SAVE YOUR SIGHT

EYESIGHT—The most valuable of all the senses—is the most neglected and the least understood. Many suffer from it, which, upon examination, can be traced directly to defective eyesight.

THE removal of the cause will often restore the delicate and run-down sufferer to robust health. When glasses are properly prescribed, they restore the vision to normal and eliminate all eye strain.

SPECIAL TRAINS FOR CALIFORNIA

Vancouver Travel Bureau Will Run Two Personally Conducted Tours to Sunny South.

Faulds, Financial and Travel Bureau, Limited, have made arrangements to run two special trains from Vancouver to Los Angeles. These trains will leave the Great Northern station, Vancouver, at 11:45 p. m. on Tuesday, December 16, and Wednesday, January 7. The trip will be made over the lines of the Great Northern Railway to Portland, Oregon, thence by the Southern Pacific, The Road of a Thousand Wonders. The tickets will be good for final return limit until April 30, 1920, the cost being \$15. round trip from Vancouver to Los Angeles and return, which includes every expense on the going trip, viz: berth, side trips, meals and entertainment. It will be an excursion "de luxe" in a special train of modern pullman, electric lighted sleepers, observation, buffet and dining cars, elegantly equipped to the land of summer in winter.

A trip of unequalled scenic beauty—through the fertile valleys of Oregon; over the Siskiyou Range, the upper source of the Sacramento; to Shasta Springs at the base of Mt. Shasta, from whence comes the name "Route of the Shasta Limited," down the Sacramento Valley to San Francisco, that wonder city; along the rolling foothills of the Santa Clara Valley to Stanford University and San Jose; to Monterey, with its historic traditions to Hotel del Monte, that famous romantic caravansary where, by the ocean's edge world travellers find recreation and rest; to the big trees near Santa Cruz; to Santa Barbara and its historic mission—thence to the journey's destination, Los Angeles, that remarkable city whose climate is famed throughout the world. From here will be taken numerous side trips to Redlands, Riverside, via "The Orange Belt Route" to the orange groves and many charming places as well as to points along the entire line.

No crowding will be permitted, so it is very important that reservations be made as soon as possible, especially for the first train leaving Vancouver December 16, and more especially as each train will be limited to not more than 150 passengers.

Full and complete information in regard to various side trips, hotel accommodation and sight-seeing tours en route, together with complete itinerary can be secured from Faulds Financial and Travel Bureau, Limited, 626 Hastings Street, West Vancouver, B. C.

The trains will be personally conducted by one of the company's capable representatives so that passengers will have no trouble either in regard to baggage, sleeping car reservations and hotel accommodation on the entire trip.

The former special train run January, 1914, proved so popular with the people of British Columbia that after various requests have been made the company decided to make similar arrangements for these special trains this winter.

POOR SALE FOR RARE PEARLS

For Necklace Owned by Mother of Peter the Great only £67,000 Offered.

LONDON, Nov. 28.—As only £67,000 was offered when the pearl necklace, said to have belonged to the mother of Peter the Great, was offered at auction today, the trinket was withdrawn from sale. The reserve price was £350,000.

The pearls making up the necklace together weigh 4,000 grains and number 128, the largest being 28 grains. It is said that it will be broken up and the jewels offered separately unless a private purchaser, willing to pay the desired sum, is found.

THE TANK INVENTORS

LONDON, Nov. 28.—The Royal Commission, which has been inquiring into the claims of all the various tank inventors, has awarded to Sir William Tritton and Major Wilson £15,000 jointly.

How to Foil Wind and Weather on Washday

From now until spring a battle that endangers health must on washday be waged with rain and sleet.

That, or drying the washing in the cellar or attic, with its attendant inconvenience and sour smells.

Of course we can not order weather to our fancy, but if you would laugh at mud and water, save your health and keep your hands and face free from chapping and roughness, telephone us.

Next, bundle up your family washing and have our driver call for it.

In our laundry your things are initiated where the mark never shows. Everything is sorted, too—table linen is washed only with table linen, hosiery with hosiery. There is no indiscriminate mixing. And it is laundered in fleecy suds of silky softness.

The weather, and the hardship of fall and winter washing need never be a source of worry. Use your telephone and let us help you.
