PROVINCE OWES MUCH TO RUPERT

Over $60,000 Due For Local Improvement Payments Already Made By City

At the meeting of the Prince Rupert Ratepayers' Association Wednesday evening Alderman H. F. Pullen mentioned the fact that the provincial government owed the city up to the end of 1930 the sum of $62,998.54 local improvement assessments. This money had been paid out by the city in making roads and sidewalks in front of property owned in different sections of the city by the provincial government. Even on the property on which the liquor store is built the government owes the city over a thousand dollars. If the government paid its local improvement assessments it would be a great relief to city taxpayers.

The provincial government owns in different parts of the city over three hundred lots of which 54 are in the Westview section.

The association referred the matter to the executive to investigate and report at a future meeting of the association.
