"BUILD B. C. PAYROLLS"

Yesterday a letter was received from Mrs. Ralph Young of Nanaimo She wrote:

> "I always use Pacific Milk. for I have always found it very good. But I often think what it would mean if the province had no payrolls, for I know what it means when the mines are running here and when some of them are not. It's a good thing that Pacific Milk belongs to British Columbia.' Many Thanks.
