Destruction of Enemy Ships.

The news that the enemy warships that were surrendered would with a few exceptions be destroyed seems like a terrible waste of valuable property, but it must be remembered that it is much cheaper to destroy the ships than to man and operate them.

The joker in the news despatch of Saturday is that while the Allies propose to make the Germans pay for sinking the ships, the proposal is made to destroy them all in order to get rid of them.

Liquor Prescription Abuse to be Remedied.

Attorney General Farris says that the amount of liquor to be sold under prescription is to be reduced to eight ounces. That will work a great hardship on a few old toppers who go dry on the least possible provocation.

By next autumn, according to the statement of Mr. Farris, the people will have a chance to say whether they require that more than eight ounces of liquor should be dispensed by the Government at one time.

Law Making Machinery is very Expensive.

The law making machinery of the province is very expensive. A news despatch on Saturday told of the cost of Dominion legislation and to this must be added the cost of every provincial legislature, nine in all, and then there are some few hundreds of thousands for municipal government.

Mine Bonding Still Goes on.

The bonding of the Sunrise mine by the Guggenheims is significant of the general development work that is going on in mining throughout the district.

ANOTHER VICTIM OF RHEUMATISM

Intensely Well After Six Weeks' Treatment With "FRUIT-A-TIVES"

MR. AMEDEO GARCEAU

32 Hickory St., Ottawa, Ont.

"I was for many years a victim of that terrible disease, Rheumatism. In 1913, I was laid up for four months with Rheumatism in the joints of the knees, hips and shoulders and was prevented from following my work, that of Electrician."

I tried many remedies and was under the care of a physician; but nothing did me any good. Then I began to take 'Fruit-a-tives' and in a week I was easier, and in six weeks I was so well I went to work again.

I look upon this fruit medicine, 'Fruit-a-tives', as simply marvellous in its cure of Rheumatism, and strongly advise everyone suffering with Rheumatism to give 'Fruit-a-tives' a trial."

FORECAST O. B. U. STRIKE IN ALBERTA

(Special by G. T. P. Telegrams.) CALGARY, Nov. 29.—The possibility of a strike of the One Big Union adherents in Drumheller coal mines is forecasted. It would only affect one mine in the Drumheller coalfield, but there is the possibility of it spreading to the Lethbridge fields, where the One Big Union element is comparatively strong.
