#### Christian Science Church Denounces New Necromancy

The subject of the lesson-sermon in all Christian Science churches and societies on Sunday was "Ancient and Modern Necromancy, Alias Mesmerism and Hypnotism,

Denounced." Among the Bible texts included in the lesson-sermon was the following from Matthew 24:24: "For there shall arise false Christs, and false prophets, and shall shew great signs and wonders; insomuch that, if it were possible, they shall deceive the very elect."

The lesson-sermon also included the reading of citations from the Christian Science text book, "Science and Health with Key to the Scriptures," by Mary Baker Eddy. one passage being as follows: "If men understood their real spiritual source to be all blessedness, they Returns Home would struggle for recourse to the spiritual and be at peace; but the deeper the error into which mortal mind is plunged, the more intense the opposition to spirituality, till error yields to truth."
