You are buying EMPLOYMENT when you buy

Pilsener BEER

WHAT everybody wants to see in British Columbia right now is more employment!

And though you may be unable to "give" employment you can certainly "create" employment by "buying" B.C. Products!

Every time you purchase a bottle of PILSENER BEER you are "buying" employment for B.C. workmen... helping to keep your fellow citizens from joining the ranks of the unemployed!

Therefore, when you buy beer, insist on PILSENER BEER and keep B.C. citizens at work!

PILSENER BEER is the ROYALTY of beers... the king-pin of all beers in QUALITY and PURITY!

TORTURED WITH SCIATICA

After taking two boxes of Dr. Williams' Pink Pills (tonic) he felt he was better.

"For about ten years," writes Edwin Collins, R. R. No. 1, New Lowell, Ont., "I was tortured with sciatica. I was beginning to give up hope of ever being well, when I saw where a Grand Trunk employe had been relieved of sciatica by Dr. Williams' Pink Pills. After taking one box I thought I was a little better, and after taking two boxes I knew I was better, and after I had taken seven boxes I felt I had gotten rid of sciatica. I am now a man near my 77th birthday, and I am never bothered with sciatica now." The iron and other elements in Dr. Williams' Pink Pills (tonic) increase the amount of haemoglobin or oxygen-carrying agent in the blood. This has been proven by official hospital tests.

BLOOD AND SKIN TROUBLES

Nearly everybody is subject to some form or other of blood or skin troubles... especially in the Spring. And it's all so unnecessary. A course of Tru-Blood cleanses the blood stream, and removes the poisons that cause these troubles. Where eruptions have appeared use Buckley's Ointment along with Tru-Blood. This is a combination that can't be beat. At your druggist's. PLEASANT TO TAKE PROMPT TO ACT LASTING IN RESULTS A Buckley PRODUCT
