LEGION

Defeated Regiment One to Nil in Soccer Game

WALTERS WINS RACE

The Gilhuly Cup fixture last evening between the Legion and the Regiment was productive of an evenly-contested game with the Legion rather lucky winners by the only score of the match.

Regiment forwards were clever at the start but Baptie cleared and then Denne was weak when the Legion attacked. Edgecumbe cleared when Warren was dangerous and Wilson crossed a couple but Carroll failed. Howe forced the game and Warren had an opening but shot weakly. Kelsey was very effective. Fong and Wingham combined nicely but the former shot past. Wilson had an opening but lost the ball. Watson missed and Warren was through but Laidler saved his hard drive. To prevent a corner the goalie followed out and, in a scrimmage, Bussanich got the ball and his weak shot rolled along and into the goal for the opening score. Carroll was limping badly and Wilson went into centre. Thurber cleared and Regiment were attacking when half time came.

Legion attacked at the start with Woodside, Warren and Howe combining but Watson kicked clear. Baptie and Jack were hard put to stop Fong and Wingham but the ball was cleared. W. Murray stopped Wingham and drove in a long shot SOFTBALL that Laidler easily cleared. Warren finished very weakly when close in on Laidler, turning the ball tamely into the keeper's hands. Watson came through to help the Regiment forwards but Wingham crossed the Round House Defeated Offices By ball too far back and an opening was lost. Carroll had an open goal but was too lame to take advantage of it and Smith cleared. A claim for a penalty by the Regiment was game, Round House defeated Ofdisallowed. Wilson's corner just fices by a score of eight to one in missed the cross bar to the relief of the Canadian National Recreation Editor, Daily News:the Legion defence. Full time came Association's Softball League last I think your article in Tuesday's with the Legion attacking.

Comment on Game

The game was very evenly contested but the defences were generally able to repel attacks of the forwards. Legion had two spares neither of whom was of any assistance. The Regiment were handicapped by Carroll's old injury crippling him early in the game and by Lyons' weakness.

Smith had little to do in the Legion goal but was safe. Jack and Baptie were a fine pair of backs. Woodside was the pick of the halves though at times his tactics are questionable. Howe played hard. W. Murray tackled well though he did not feed his forwards. Warren and Bussanich were the best forwards. Murray showed some ball control but is very ineffective. The two new men were of no value.

Laidler had hard luck in losing the goal after stopping Warren's fierce drive. Thurber was very safe, both with head and feet. Watson's miss led up to the goal, otherwise he was good. Kelsey turned in a fine game at centre half, tackling surely and evidently trying to open out the game and feed his forwards. Edgecumbe was reliable and fast and shows promise of having a good season. Fong was the best forward with Wingham next. Carroll was lame soon after the start but does not look like a centre forward. Lyons was very weak. Wilson crossed some dangerous balls.

Walters Wins Race

The final of the 100-yard handicap was run off, Alex Walters winning from Philip Edgecumbe by a good yard. Vance had a handicap of four yards with Edgecumbe and Walters at scratch. Edgecumbe was left at the start while Walters had caught Vance in 20 yards. Edgecumbe made a fine effort but never had a chance after his poor getaway and Walters was never headSon of Ty Cobb

SPARTAN ATHLETIC CLUB IS VERY MUCH ALIVE

Editor, Daily News:-

On behalf of the Spartan Athletic Club, I wish to take exception to a news item which appeared on your ports page a few days ago.

In reporting the last football game, you say that the newly formed Spartan Athletic Club should take advantage of the 100-yard handicap race fostered by the Football Association, or words to that effect. We feel that in this article there was a very obvious insinuation that the Spartan Club was not showing many signs of life. We also feel that the Football Association may think they are staging the place by defeating Chicago Cubs. handicap for our benefit only. The Spartan Club knew nothing about the race officially. The race was open, and if individual members of our club were unable to get up to the grounds that in no way should reflect upon the club.

If the football association wants us to enter runners in a handicar meet, we should very much appreciate some notification of how the handicaps are to be decided, and any other necessary details.

The Spartan Athletic Club is very much alive, and the members are most anxious to take part in races at all times, but if individual members fail to turn up to a race that is open and in no way restricted to club members, then the club's name should not be mentioned in a reprimand for individuals.

Thanking you for the very valuable publicity you have given the club, and trusting that this explanation may meet with the understanding of the football association.

Yours faithfully, J. W. PLOMMER, President Spartan Athletic Club.

URGES SIDEWALK REPAIRS

night. It was a good fast game paper urging all citizens to keep Regiment: Laidler, Watson, Thur- which the Round House put on ice their premises in good repair durber; Edgecumbe, Kelsey, Redpath, by making six runs in the second ing this period of depression was Wilson, Lyons, Carroll, Fong, Wing- inning. Offices got their lone run well timed. Very often just a little thought, labor and a small outlay

I would suggest that you send a The C.N.R.A. will play the Porters set an example in this direction, and are sometimes a bit remiss.

For instance, early last fall our good council saw fit to barricade the sidewalk on Seventh Street from Second to Third Avenues. Now this is the most direct route from the Post Office to Third Avenue, and certainly should not be closed for nine months.

In the first place it was not in very bad condition. It is level, has a solid foundation and ten dollars would have put it in good repair. The street is used constantly. It is wonderful how quickly we northern people adapt ourselves to conditions, however inconvenient they may be. The "Dangerous-Closed to Traffic" signs have very little terror for us now.

It is interesting to watch how the different people manage to swing around these obstacles; one foot planted firmly at the support of the barricade and the other swung in midair for a time, always seems to swing the body around to safety on the sidewalk. Some flappers manage it wth a flourish, while their elders not so good; I have even seen a cripple with crutches manipulate it slowly and painfully, prefer-

ring this to the rough, stony road. Now the tourist season is here and certainly it does not make a good impression on strangers when they visit the post office (and most of them do) to see this danger sign on the street leading to the main thoroughfare. They will probably not be venturesome enough to risk the Fire at Farmhouse to the boat without ever having seen

ur fair city. I hope your policy of a sane, economical program of repair and improvement will be followed by our citizens and city council, and that they will begin on Seventh Street. Signed: RATEPAYER.
