Norway  
Pine  
Syrup

### Bad Cold On Her Chest Had To Stay In Bed

Mrs. J. C. Winters, Janow, Man, writes:—"I have every reason to praise Dr. Wood's Norway Pine Syrup as it has done me a world of good. I had a very bad cold on my chest, and had to stay in bed two weeks, and could hardly speak on account of coughing so much. I tried every medicine and liniment I could think of, but I got no relief. My husband read about Dr. Wood's Norway Pine Syrup so I decided to try it. I took only one bottle and I am ready to recommend it to anyone with a cold." ### SAVED IMPORTED DRESS

"After a little wearing, a lovely green voile—an imported dress—lost color so completely that it was not wearable. A friend who had admired it asked me why I wasn't wearing it any more. On hearing the reason, she advised dyeing it and recommended Diamond Dyes. To make a long story short, it turned out beautifully. I have a lovely new dress that really cost just 15c—the price of one package of Diamond Dyes.

"I have since used Diamond Dyes for both tinting and dyeing. They do either equally well. I am not an expert dyer but I never have a failure with Diamond Dyes. They seem to be made so they always go on smoothly and evenly. They never spot, streak or run; and friends never know the things I dye with Diamond Dyes are redyed at all!"

### Unreality Was Science Church Subject Sunday

The subject of the Lesson-Sermon in all Christian Science churches and societies on Sunday was "Unreality."

Among the Bible texts included in the Lesson-Sermon was the following from John 1:3: "All things were made by him; and without him was not any thing made that was made."

The Lesson-Sermon also included the reading of citations from the Christian Science textbook "Science and Health with Key to the Scriptures" by Mary Baker Eddy, one passage being as follows: "Truth must make all that is true. If evil is real, Truth must make it so; but error, not Truth, is the author of the unreal, and the unreal vanishes, while all that is real is eternal."
