the Buying Public of the City of Prince Rupert:

The new Cut Rate Shoe Store located in the Meeker Block, just opposite the New Empress Hotel, is now under the management of Frank Blackford, who wishes to announce new low prices on all footwear for men, women and children.

Whether it be street or dress shoes for the ladies, school or Sunday school shoes for the boys and girls, dress or work shoes for the men, Frank says: "We have them all at rock bottom prices."

Our values are high; our prices are low. A visit to this store will convince.

We guarantee all our footwear to be at least 25 per cent lower than elsewhere—so why pay more? Our entire stock of rubber footwear is made by the leading rubber manufacturers in Canada, including Goodrich Hi-Press, the highest grade rubber footwear makers known today. Our prices on these high grade rubbers are actually lower than the wholesale cost as we take our cash discount and are satisfied with a small profit and quick turnover, so you are at all times assured of a fresh, clean stock.

We will consider it a favor to have you come in and look around and compare our prices. Don't forget the address.
