TORTURED WITH SCIATICA

After taking two boxes of Dr. Williams' Pink Pills (tonic) he felt he was better.

"For about ten years," writes Edwin Collins, R. R. No. 1, New Lowell, Ont., "I was tortured with sciatica. I was beginning to give up hope of ever being well, when I saw where a Grand Trunk employee had been relieved of sciatica by Dr. Williams' Pink Pills. After taking one box I thought I was a little better, and after taking two boxes I knew I was better, and after I had taken seven boxes I felt I had gotten rid of sciatica. I am now a man near my 77th birthday, and I am never bothered with sciatica now."

Has not been bothered with Sciatica since

The increased supply of oxygen reacts just as you would expect—it kindles all the vital forces in the body—quickens the appetite, imparts a feeling of well-being, and induces restful sleep.

Now that you know the benefits of Dr. Williams' Pink Pills (tonic) why not do the wise thing? If you have sciatica, rheumatism, lumbago or neuritis, give these tonic pills an opportunity to work their benefits upon you. Consult your neighbors if you wish. More than likely some of them will have been benefited by Dr. Williams' Pink Pills. But don't, we beg of you, for your own sake, put the matter off! Be sure to say "Dr. Williams' Pink Pills" so that your druggist will know exactly what you want. 50 cents a package 21
