

Smothering and Fainting Spells Everything Would Turn Black

Mrs. Andrew Black, Harcourt, N.B., writes:—
"I had been troubled with smothering and fainting spells and everything in front of me would turn black, and I would fall down in a faint and be unconscious for several minutes. I did not know what to do, until one day I was reading where Milburn's Heart and Nerve Pills had helped so many people, and decided I would give them a trial. I used four boxes and found they help me wonderfully."

BULKLEY VALLEY COAL

THE BETTER COAL

Analysis

volatile matter, 29.32; ash, 6.76; fixed carbon, 62.87; b.t.u.'s, 13917

Being low in volatile it will not block your pipes. Being low in ash, you are not buying clinkers. Being high in fixed carbon means long lasting quality. Being high in British Thermal Units means more heat value per pound.
