J. J. Little Tells Victoria of Better Conditions in North

General business conditions appeared to be getting brighter in the northern section of the province, according to J. J. Little of Prince Rupert, manager of the Northern B. C. Power Company, who arrived in the city yesterday from the mainland, says the Victoria Times. He is at the Empress Hotel, and expects to remain here for several days on

The Northern B. C. Power Company supplies light and power to Prince Rupert, Stewart and Hyder. Water Meter The company's hydro-electric plant developing 7,500 horsepower, is located at Falls River, about 42 miles from Prince Rupert. The company last year bought out the power Dry Dock Claims That It Is Being plant which was operated by the city of Prince Rupert.

No further power development is contemplated by his company a the present time, Mr. Little stated available at Falls River, and the company is ready to expand with the north when it goes ahead, he

The fishing business of Prince Rupert is being steadily developed vard. Owing to leaks and other and ships are taking wheat from causes under the present meter the elevator there. The city looks for expansion with the construction sully charged with water it did not of the highway eastward from Prince Rupert.
