Pneumonia Left Her With a Terrible Cough

Mrs. A. W. Power, 581 Jane St., Toronto, Ont., writes:-- "Eight years ago I had a very serious ill-I had a bad attack of pleurisy and pneumonia and was six months in bed. This illness left me with a terrible cough. I tried several cough medicines, but they did not seem to have any effect. One day my mother brought me home a bottle of Dr. Wood's Norway Pine Syrup, and after I had taken several more I noticed my cough gradually leaving me. Since that time if ever my husband and children or myself have bad colds I always get 'Dr. Wood's'." ·Price 35c. a bottle; large family size 65c.; at all druggists or dealers.
