Take The DAILY NEWS with you When Going on Summer Holidays

Nearly everybody likes to keep in touch with Prince Rupert when away for their holidays. The best way to do this is to order the paper sent during that time. If it is only for two weeks, the News is a welcome visitor and the mails during the summer months are carried almost daily to most points.

Recently a number of Scandinavians have given up the local fishing for the summer and gone on an extended visit to their former homes. In almost every case they order the Daily News sent them while they are away. Several subscribed for a year, others for shorter periods.

No time is too short for us to look after our patrons.
