When you spend dollars in your own town the dollars remain for the prosperity of the town, and the materials so purchased aid home enterprise.

Prince Rupert, situated as it is five hundred miles from any centre has, as its hope to attain to anything more than a fishing village, the prospect of the Peace River outlet. Our fight for that outlet is with the thriving city to the south of us and yet many prominent men, owing all their success to Prince Rupert, prefer to buy in the south.

Albert & McCaffery carry a full line of building materials, and have a large investment in Prince Rupert. Give us consideration before purchasing elsewhere.
