Heart and Nerves So Bad Was Unable To Sleep For Hours

Miss Theresa M. Ravary, Gallingertown, Ont. writes: - 'I was troubled, for almost a year, with my heart and nerves, especially on retiring at night when I would be unable to sleep for hours. I was easily fatigued, and became very excitable and irritable. A friend recommended Milburn's Heart and Nerve Pills and after taking them for a few weeks I could enjoy a good night's rest, and rapidly regained my former state of health."
