LITTLE THINGS COUNT

There are said to be people in Prince Rupert who owe money and yet who scorn to pay small amounts on account. They feel that it is not worth while. We suggest that if everybody paid a little, the wheels of commerce would continue to turn and collections would not be as bad as they are today.

ARE NEVER DAUNTED

There is hope for the race when people are always ready to take a chance for their lives in trying to attain some almost unattainable feat of skill or endurance. Undeterred by the fate of Moyle and Allen, the intrepid air-men who failed to arrive in their flight across the Pacific, others are planning to try their luck and are hoping to win out in their efforts to navigate over the biggest of oceans without landing en route.

Someone will fly the Pacific very soon undoubtedly, but no one can say how many lives will be lost in the effort.

GOOD PUBLICITY

The visit of Miss Boddie to Los Angeles as Miss Prince Rupert is resulting in some good publicity for the city. In her broadcast Saturday night she was introduced as "Miss Prince Rupert" and her little speech must have been heard by many thousands of people. She was the farthest north candidate and as such attracted even more attention than otherwise would have been the case.

SALTARY LICENSES

The people of Queen Charlotte Islands seem to have a real grievance in the shutting out of one of their industries through the high saltery license fee of \$1,500. While this amount was reduced to \$500 at the last minute, it was done too late to save the situation. Anyway, even the \$500 fee was too high for a small business extending for only a brief period.

It is to be hoped that the government will consider carefully before setting the license fee next year.

LOCALS WIN IN SOCCER

H.M.C.S. Vancouver Defeated By 3 to 1 Score Saturday

The football game Saturday afternoon between the team from H.M.C.S. Skeena and a team from Prince Rupert provided a pleasant and interesting match, with Prince Rupert winning by three goals to one.

Lyons took advantage of an opening to score for Prince Rupert, and McKay added a second when the Navy defense was weak. The naval boys showed some nice combination, but the Rupert defense was too strong. Smith saved a header from Watt. Dickens scored, but offside nullified the point. McKay headed against the bar but the ball was cleared. Napier put behind in a Skeena attack. Bryant and Tapley defended well and Robinson was prominent with constructive work. Cockerell was playing well at centre forward and Watt had another try. Colussi added a third for Prince Rupert.

The local team had the better of the second half and Sweatman cleared several shots. Cockerell finished weakly with an open goal. Smith saved but was later beaten by Watt, who placed his shot well. McKay and Amor went close. Webster was the outstanding player on the field. Towards the end the visitors did better but no further goals were scored.

H.M.C.S. Skeena: Sweatman, Tapley, Bryant, Stone, Robinson, Archer, Napier, Palmer, Cockerell, Watt, Patterson.

Prince Rupert: Ted Smith, W. Murray, Kelsey, W. Murray, Webster, Hadden, Amor, Lyons, Colussi, Dickens, McKay.

LEGION WINNER

Defeated Merchants Two to One in Stuart Benefit Shield Soccer Yesterday

Canadian Legion took opening honors yesterday afternoon in the Stuart Benefit Shield series, defeating the Merchants by a score of two to one. Despite the fact that the Merchants were unable to field their best team, a good soccer performance was turned in. There was a good crowd of fans on hand to witness the play. Half time score was two to nil in favor of the Legion. C. L. Youngman donated his services as referee.

Two more games in the Stuart Shield competition are planned. Date of the next game between Regiment and Merchants has not yet been set.

TRACK MEET OFF

Saturday afternoon's rain again prevented the holding of the track meet of the Spartan Athletic club.

SPORTS FOR DESTROYER

Prince Rupert Won Football 3 to 1; Boat Race Interesting Until R. C. N. V. R. Broke Oar

There was a good deal of sports activity over the week-end in connection with the visit of H.M.C.S. Skeena.

On Saturday afternoon there was a football game between the destroyer and Prince Rupert, the home team winning by a score of 3 to 1 in an interesting contest.

A softball game which was to have been played Saturday afternoon did not take place owing to rain.

Yesterday morning there was a whaler race between H.M.C.S. Skeena and the local unit of the Royal Canadian Naval Volunteer Reserve. All was going well and it was a close contest until Prince Rupert broke an oar and lost. There will be another boat race tonight, it is expected.

A rifle shoot between H.M.C.S. Skeena and the R.C.N.V.R. is planned for today as well.

TO RESUME PLAY SOON

Fall Schedule for Junior Football League Set

The Junior Football Association met in the City Hall on Saturday evening to draw up the schedule for the forthcoming season. The games will be played in two series, the winners of each half, if present, to play off for the Rochester Shield.

Donations from the Dominion Day committee and from the Trades and Labor Council for the Labor Day game were ordered acknowledged. Preliminary plans for the annual banquet were considered.

The games will commence at 1:30 p.m. on Saturday afternoons and the schedule is as follows:

September 19—High School vs. Booth Memorial School.

Sept. 25—Borden Street vs. Booth School.

October 3—Borden vs. High.

October 10—Booth vs. High.

October 17—Booth vs. Borden.

October 24—High vs. Borden.

October 31—High vs. Booth.

November 7—Borden vs. Booth.

November 14—Borden vs. High.

Jack Campbell is in charge of the refereeing.

Sons of Canada Shut Out Elks and Win City Baseball Title For 1931; One Hit Off Lambie

Defeating the Elks by a score of 3 to 0 yesterday afternoon, Sons of Canada won the City League baseball championship for 1931. The Canucks had already won the first half and yesterday's victory gave them the second half honors as well. Ideal weather conditions prevailed and a large crowd of fans was on hand to watch the game.

The Sons were fully entitled to the victory, as they touched Nick Chenoski, Elk hurler, for three safeties, while Bill Lambie pitched a sterling game for the Canucks, allowing the Antlered herd only a single hit while he was credited with ten strikeouts.

There were a good many fielding errors, the Sons being charged with four and the Elks with five.

First inning: Elks—Harold struck out. Farquhar and Alex Mitchell were thrown out. No runs, no hits, no errors.

Sons—Bury got first on George Mitchell's error at second. Smith fanned. Lambie took first on Harold's error at short. Moran got first on another error by G. Mitchell. Styles' single, with bases full, scored Bury. Lambie was caught at second. Frizzell fanned. One run, one hit, three errors.

Second inning: Elks—Bill Mitchell fanned. D. Stalker flied out. George Mitchell got first when Johnson fumbled. Chenoski hit into the infield and G. Mitchell was out at second. No runs, no hits, one error.

Sons—Stalker popped out to first. Comadina fanned and Bill Stone took Johnson's high fly with a neat one-handed catch. No runs, no hits, no errors.

Third inning: Elks—D. Gurvich and Stone fanned. Harold was out when Styles took his grounder. No runs, no hits, no errors.

Sons—Bury was out when Stone made a running catch of his fly. Smith flied out. Chenoski got wild and walked Lambie. Moran and Styles in a row. Frizzell fanned with the bases full. No runs, no hits, no errors.

Fourth inning: Elks—Farquhar got first when Styles let an easy one through. A. Mitchell got on when Moran fumbled his bunt. W. Mitchell popped out to Styles. Stalker got first when Lambie fumbled, filling the bases. G. Mitchell fanned and Chenoski flied out to Styles. No runs, no hits, three errors.

Sons—Stalker got first when G. Mitchell took his grounder, but overthrew badly. Comadina hit safely into right field and Stalker was up, both Stalker and Comadina scored when A. Mitchell overthrew badly to second while trying to off Chenoski, 3.

Umpires: George Brooks, balls fanned, Bury grounded out and and strikes; G. C. Arseneau, bases.

Two-base hit, Frizzell; sacrifice, A. Mitchell; struck out, by Lambie, advanced to third. While Johnson 10; by Chenoski, 6; bases on balls, badly to second while trying to off Chenoski, 3.

Umpires: George Brooks, balls fanned, Bury grounded out and and strikes; G. C. Arseneau, bases.

HUNTING IS OPEN

Lindsay and Patmore Parties Meet With Success

Many hunting parties went out over the week-end, the occasion being the opening of the deer and grouse shooting season. The parties had mixed fortunes and those who got deer had to do a good deal of climbing or tramping for them.

Jack Lindsay and party visited Welcome Harbor, Potcher Island, and brought home three deer and a house.

W. W. Patmore and party got one deer and 12 or 15 grouse at Tucks inlet.

George Bryant and party were not back up to this morning. They visited the North Arm of Porcher Island first and, getting nothing there, moved elsewhere.

The 1931 season sees available for local hunters a new hunting territory on the mainland across the Galloway Rapids bridge. It is the first time that Prince Rupert hunters have had the opportunity to hunt without resort to boats. There were a number of hunters out there yesterday but, apparently, not with very good results.

William Reid and Robert Davis returned at noon today from Welcome Harbor, the latter bringing in a fine five-point buck.

Brown-McMordie Win in Tennis

Defeated Stamford and Tobey in Final of Men's Doubles

The finals in the city championship tennis doubles was played yesterday. T. W. Brown and S. P. McMordie beating W. L. Stamford and W. H. Tobey Sr. in a long and protracted five-set match. The score was 6-8, 8-10, 11-9, 6-3, 6-4.

It was the longest match ever played on the local courts, lasting for three hours and twenty minutes. The final in the mixed doubles is still outstanding but will probably be played this week.

CUBS GO UP RUNG

Displaced Brooklyn Robins in Third Place of National League At Week-End

CHICAGO, Sept. 14—By winning three straight games on the home field over the week-end, one from the Phillies on Saturday and the other two from the Boston Braves Sunday, Chicago Cubs moved back into third place in the National League, displacing the Brooklyn Robins, who lost to the Cincinnati Reds Saturday and beat the Pittsburgh Pirates yesterday. St. Louis Cardinals won three straight games at the week-end to boost their league leadership to nine full games over the New York Giants who lost two out of three games.

In the American League, the Philadelphia Athletics split a double-header with the St. Louis Browns on Saturday and were idle yesterday. The leadership of the Mackmen is now thirteen full games over the Washington Senators who dropped a game to the Cleveland Indians Saturday but defeated them yesterday.

New York 0, 9; Cincinnati 1, 4.
Philadelphia 2, 2; St. Louis 6, 7.
American League
Detroit 1, 3; New York 2, 4.
Cleveland 1, Washington 7.
Chicago 6, 2; Boston 5, 2 (second game tie, called in 14th inning).

LOCAL ITEMS

F. L. Carroll of Burns Lake arrived in the city yesterday and will be here a few days before returning.

Archie Thompson will sail on the Princess Louise this afternoon for Vancouver, where he will commence studies at the University of British Columbia. He will be accompanied south by his mother, Mrs. James H. Thompson.

NEWS OF THE MINES AROUND PRINCE RUPERT

Galloway Says Nation River Is Large Scale Mining Field—Prince Rupert Man Also Comments—Exhibits From This District

Visiting in Hazelton a few days ago following a trip into the Nation River country, where he investigated reported rich placer discoveries, J. D. Galloway, provincial mineralogist, expressed the opinion that, while there were good prospects for pay on the Snell and other properties, it was essentially a field for large scale mining. The values

were generally low, Mr. Galloway said, but would be profitable for a steam shovel. Mr. Galloway was accompanied on his trip into the Nation River country by Douglas Lay, resident mining engineer for the northeastern mineral survey district, with headquarters in Hazelton.

A. B. Moffat and son Harold are back in Prince George after spending a month in the Rainbow Creek Placer country. Mr. Moffat was staked on the creek by the discoverers and spent the greater part of his stay in prospecting his ground. He did a little washing and recovered about an ounce and a half of gold. As for prospects of Rainbow Creek, Mr. Moffat declares that he is confident that Mr. Snell and associates will make good, although a long bow has been drawn generally as to the field's possibilities. Some promising discoveries have been made but wages have not as yet been definitely assured. Mr. Snell is of the opinion that there is sufficient gold in the creek to pay for

handling by machinery but possibly not for hand mining. He prefers, however, to determine the quantity of pay dirt before accepting offers for machine operation. This is the work he has now in hand and he is very confident of ultimate success. Platinum and iridium values may also be an important factor in the working of the creek. Mr. Moffat also confirmed reports of activity in the Nation River district where William Ogilvie is carrying on drilling operations in Slate Creek for the Consolidated Mining & Smelting Co., while R. C. McCorkell and associates have a large crew on Germanson Creek. Speaking generally there is much more going on in these districts this year than for years past.

Portland Canal district sent some fine samples of gold and silver-copper to the Vancouver Exhibition this year. Prominent in the display were specimens exhibited by Alex McDonald. Attractive silver, gold and silver-lead ores were sent from Smithers and Usk.

The oldest, smoothest, finest Rye Whisky on the shelves.
