

1911 ANNIVERSARY SALE 1931

This is not a sale to dispose of shopworn or distress goods, or to raise money to pay creditors, but simply an expression of appreciation on the part of this firm for the support accorded it in the past. In 1911, the time of plank roads and few sidewalks, I decided to build a business on Quality goods of National reputation. That decision has justified itself. This store is now the unquestioned leader of its kind in the city, and patronized by most discriminating purchasers of Men's and Boys' Wear. ACCEPT OUR THANKS.

Style Plus Economy
