CAN CITY BREAK MILL CONTRACT

This is Question City Council Discussed at Meeting Last Night.

The power clause to the Emerson mill contract with the city came in for considerable discussion at the council meeting last night. Ald. Perry had asked that the correspondence on the matter be tabled for the information of the council. It is suggested that the contract has been broken with the transferring of the privilege to another company than the original one.

The contract was an extremely bad one, said Ald. McRae, and the city not only receives nothing for its power but also loses hundreds of dollars a year cash on interest and redemption. The plant uses half of the power produced by the city and only \$2,000 is paid for it.

Ald. McRae felt that even if the company had broken its contract, still the city was in duty bound to stand by its end. Ald. Perry and Ald. Casey felt that if there was a way out, the city should break the contract. Ald. Casey drew attention to the fact that when E. F. Doby had first asked for the power concession he had stated solemnly that no Asiatics would be employed. This had not been lived up to. Acting Mayor Rochester felt that if the contract had been abrogated the city had the right to break it.

Legal advice is to be obtained as to what procedure is open for the city to take.

AMATEUR PLAY AT WEST HOLME

Local Dramatic Club to Give "Why Smith Left Home" Tonight and Wednesday.

Theatre goers will remember with pleasure the previous effort of the Amateur Dramatic Club of this city when they gave "What Happened to Jones" under the direction of J. S. Pudney. Under the same direction the club will give "Why Smith Left Home," a roaring farce with plenty of action and full of humorous situations.

The title role of Smith is to be played by Geo. M. Durham, who gave such a splendid portrayal of the Bishop in "What Happened to Jones." A new artist to Prince Rupert will be Miss E. McCann who has the leading lady role, Lavinia Daley, and who will probably be the surprise of the show. The public is promised a good entertainment which, they are assured, will meet with their approval. The play will be repeated tomorrow night.

MARINE WAYS WILL GET POWER FROM CITY

City Will Share Cost of Conveying Power to Plant.

In a letter to the City Council last night the Seal Cove Marine Ways Co. asked for city power connection with their plant. They asked that as the company was a local one and was financed here the city bear the cost of connecting.

A report was received from the utilities committee recommending that the company pay the cost of labor, \$125, while the city pay for material, \$140. This report was adopted by the council.

At the council meeting last night a letter was read from Wm. Young, an electrical engineer, who had recently made an inspection of the city power system and its possibilities. Mr. Young reported that the total load was not sufficient to make further development advisable at present. The letter was ordered filed.

It was moved by Ald. McRae, seconded by Ald. McMeekin at last night's council meeting that Ald. Rochester, be acting mayor during the absence of Mayor McGlymont at the fisheries conference at Ottawa. The motion was carried unanimously. So Ald. Rochester took the chair.
