EMPLOYMENT FOR WORKLESS

At various times this paper has advocated that in considering any system of unemployment insurance to which the state contributes there should be as part of it a scheme for having those out of employment contribute work to something of a public nature such as roads or parks.

"Speaking quite dispassionately, one thing I have never been able to understand is why, instead of spending large sums of money for which we get nothing in return, we could not employ the unemployed to do great national undertakings which require doing in return for the money we give them.

SPORT CHAT

It has been interesting to read the various comments on the recent Walker-Sharkey fight. Here is one: The official decision says that Jack Sharkey didn't lose, but on lion-hearted little Mickey Walker fight-

There was no questioning whom the crowd, that almost filled the National League ball yard, thought had won, but the arbiters arrived at the compromise decision by every possible route left open to them.

HOTELMEN GO TO TOP; BEAT NATIVE SONS

Old Empress Pile Up Big Lead But Need It as Canucks Pound Commons From Box

SONS NOW IN CELLAR Two Double Plays By Winners With Eldridge in Both—Johnson Plays Classy Game

In last night's regular baseball league fixture between Old Empress and Sons of Canada, the former ran in 11 runs in the first three innings which were enough to cop the game, although the losers made it hot for them toward the finish, by pounding Commons from the box in the fourth and making Nelson, who went in to relieve him, work his hardest to retire them.

As a result of the game, the Sons of Canada are now resting in the bottom position of the league for the second half, with Old Empress perched on top for the second time.

Old Empress started right off in the first inning with one run. Nelson, first man up, was safe on Smith's error. Redman fled out to Johnson. Arsenau singled down the third base line and Stalker missed the ball, Nelson scoring. Johnson threw out Wendle at first and Eldridge struck out.

Native Sons evened it up in their half. Wendle threw out Bury at first. E. Smith fled out to Wendle. Moran singled over second and scored when Nelson missed the ball. Lambie struck out.

The Hotelmen collected six in the second. Menzie drove one to left which Stalker could not find in the clover and it went for a home run. Hibbard singled to centre. Commons singled to left. Elmer Smith bounced one off the plate, but Styles dropped Lambie's throw and the bases were filled. Nelson made a hard single to right, Hibbard scoring. Kenny, batting in Redman's place, struck out. Moran booted Arsenau's grounder and Commons and Smith scored. Nelson scored on a passed ball. Wendle grounded out to Eddie Smith. Moran dropped a fly from Eldridge and Arsenau scored. Johnson threw out Menzie at first, Styles making a nice catch. They added four more in the third and then stopped for the night. Hibbard singled. Lambie took Commons' grounder and tried for a double, but hit Hibbard with the throw to second, the runner going to third. Commons stole second. Smith struck out. Nelson singled both runners scoring. He stole second. Kenny singled. Nelson stopping at third. Arsenau went out to Styles. Nelson scoring. Wendle was hit by a pitched ball, and then Kenny scored on a passed ball. Eldridge struck out.

Sons changed their players after this, Moran moving to first, Bury coming in from centre to second and Styles going out to centre. Stalker came in from left to catch and Frizzell went into that garden. They seemed to work much better that way only 12 men facing Lambie in the last four innings.

Native Sons got one run in the third. Stalker walked, but was forced at second on Bury's grounder to Wendle. After Johnson had struck out. Eldridge booted Smith grounder. Bury going to second. Moran singled and Bury scored. Lambie singled, filling the bases. Styles popped out to Wendle.

Their big inning came in the fourth. Comadina walked. Frizzell was hit by a pitched ball. Stalker lined one out to Wendle who dropped it, but recovered the ball and forced Comadina and third. Eldridge throwing to second to catch Frizzell for a double. Stalker scored on Johnson's double to left. Bury hit a triple to centre. Smith singled and Bury scored. Moran made a double to centre which Nelson misjudged. Smith scoring. Lambie singled and Moran scored. Nelson came into the box and struck out Styles. Nelson was in trouble every inning after that, but managed to tighten up in the pinches, and no further runs scored. He walked two men in the last inning and then an

After Beating Telkwa on Home Grounds Seeks More Laurels

HAZELTON, July 28.—Hazelton was not greatly extended to win from Telkwa by the score of 7-2 in the baseball game played in Telkwa on Sunday. York hurled well for the winners, allowing only two bineses in the first seven innings. After that he was touched up for four, but the two runs they got didn't affect the final outcome. Ingram and Cox, both of Hazelton, had a good day with the willow, each of them clouting out a .750 average for the game.

Hazelton leaves this week on a barnstorming trip to Central B.C.
