

SAVE YOUR SIGHT

EYESIGHT—The most valuable of all the senses—is the most neglected and the least understood. Many suffer from it, which, upon examination, can be traced directly to defective eyesight.

THE removal of the cause will often restore the delicate and run-down sufferer to robust health. When glasses are properly prescribed, they restore the vision to normal and eliminate all eye strain.

CHORAL SOCIETY CONCERT GREAT

Mrs. Herbert Wood and Other Soloists Charmed Audience Last Night at Westholme.

EXCELLENT SINGING BY THE LARGE CHOIR

The opening concert of the Prince Rupert Choral Society held last night at the Westholme Theatre was wholly pleasing. Mrs. Herbert S. Wood, who came from Vancouver especially to sing for this concert was splendid. Her sweet cultured soprano was a delight, a treat that Prince Rupert people do not often get. Especially appreciated were the numbers she gave in the second part of the program in which she was recalled again and again. The general wish is that Mrs. Wood may return to Prince Rupert and sing again in the near future.

The efforts of the choir were really excellent. There was a distinct improvement since the last concert. Conductor Davey had them well in hand and they responded splendidly. The male chorus, "Rise and Break the Chains" was a distinct surprise and was excellently rendered. The last chorus of the cantata "Give Way Now to Pleasure" roused a really responsive note in the audience. The members of the society with especial reference to the conductor, are to be congratulated on such excellent work which must have given them great enjoyment in the preparation as well as giving pleasure to last night's audience.

Ever Popular.
Dr. and Mrs. Large who came from Port Simpson on purpose to take part in this concert, entertained with great effect. Dr. Large sang "The Bandolero" and "Ring out Sweet Bells of Peace" and responded to recalls each time, such to the delight of the audience. Prince Rupert audiences always like to hear the doctor. Mrs. Large on the piano was not less popular. She too responded to an encore.

If mention of Mr. Edmunds and his wonderful 'cello is left until the end it is not because his was the least important part of the concert. The first selection was perhaps his best, and the encore "Ave Maria" by Gounod was also very fine.

None of the efforts would have been possible without good accompanists and these were found in Miss Lily M. Ellett and W. Vaughan Davies and their work was much appreciated.

The general tone of the entertainment was first rate and the choir and promoters deserve the thanks of the community for their excellent work.

MINISTER OF MILITIA PROMISES REGIMENT

Says Unit May be Formed Here; Combination of 68th and 102nd.

The Minister of Militia, in a letter read to the city council last night, promised that the claims of Prince Rupert and northern British Columbia in the matter of militia perpetuation would not be overlooked. It was possible that the Earl Grey's Own Rifles, 68th Battalion, may be changed to the North British Columbia Regiment and the 102nd Battalion included in the unit.

Ald. McTae rose to correct the unit being called the North British Columbia Regiment, when Prince Rupert was really in the southern half of the province. The matter was left in the hands of the acting mayor for correction.
