REPORTED ALICE ARM TOWNSITE IN SPRING

Developments During Past Season
Augur Well for the Future
Prosperity of Camp.

John E. Stark, the veteran Alice Arm prospector, arrived in the city last evening on the Venture. Mr. Stark reports a very busy season at Alice Arm during the past summer, but says that things will really begin to boom in 1920. A movement is on foot to put a townsite on the market up there during the coming year when there will be great business opportunities aside from the mining game.

He predicts that Alice Arm will be a second Butte and its life will not be short. A feature that causes so much certainty for the future at the camp is the fact that not one property which was bonded last summer was turned down and some remarkably rich showings have been brought out in development work. At the Dolly Varden mine it is reported that a 3-lb. piece of solid silver was taken out a short time ago.

YUKON PROSPECTORS STRIKE MAYO CLAIMS.

Between twenty and thirty mineral claims have been staked along the northerly slope of Lookout mountain, in the Mayo district. They lie in the Mayo district, and it is understood favorable indications were found there some time ago.

The discovery claim was taken by Andy Johnson, an old time prospector in the district. Randy McLennan, long time in the country, and quite a number of others who have been working at Lookout mountain and in the vicinity have staked.

"Resourses" for December is out and is more of a credit to its publishers than ever. It is replete with articles of local interest which are relieved with excellent photographic illustrations. Among the pictures are some brand new ones of the Alice Arm district, taken by A. C. Garde in October.

Arthur Barr arrived from Vancouver this morning to take a position as druggist in the Prince Rupert Drug Store. Mr. Barr was formerly assistant to Mr. Grieve, the manager of the Prince Rupert Drug Store, at Powell River.

As predicted, the thermometer was lower last night. At 8 o'clock this morning the reading was 10 above zero. It is 30 below zero at Prince George.

NAME FOR ENGLISH SPEAKING WORLD

Prize of \$1,000 Offered to Person Making Best Suggestion.

SAN FRANCISCO, Dec. 10.—Rules for the award of one thousand dollars to the person first suggesting the best name word denoting U. S. America and Britannia have been announced by the World Trade Club of San Francisco. The contest is open to all humankind. Words to be considered must be received before May 1, 1920. One thousand dollars has been deposited with the Wells Fargo - Nevada National Bank of San Francisco, and the amount will be paid in the currency of the nation from which the best word is suggested, to the person first suggesting the best name.

It is interesting to note that names have come from all quarters of the Globe—particularly from U. S. America, Australia, New Zealand, Tasmania, British Isles, Canada, the Philippines, Eurasia, Africa, China, Japan, Oceania. Names are pouring in from all parts of the world, including France and the Scandinavian countries. "Unitania" is the best word received thus far. The question now is, will someone devise a better name than Unitania before May 1, 1920, and thus earn World Trade Club's award of \$1,000.00?

W. B. Bishop has been transferred from Grand Forks to Anxoy and will be assistant manager of the Granby plant in the north.
