Mrs. Solomon Bekkop, R.R. No. 1, Neustadt, Ont., writes:—"I was troubled with eczema for four years, and it was so bad I could not put my hands in water. I found Burdock Blood Bitters the only medicine that would give me any relief, and after taking four bottles the eczema had all left me. I can now do my own washing, and wish to give thanks to B.B.B. for what it has done for me."

COURTING DANGER

To ignore the present unemployment situation throughout the country is to court danger. This is not speaking locally. It is a national question and most other countries have similar problems with which to cope.

Last week the chamber of commerce decided to call the situation to the attention of Premier Bennett and it was then suggested that a further reminder be sent later. The suggestion is excellent. It cannot be too strongly urged on the federal government the absolute necessity of undertaking some big work such as that proposed by Lloyd George in England.

The most obvious public work just now is the construction of the railway westward from the Peace River country. It would relieve the unemployment situation to a large extent and in addition would provide the farmers of the Peace with an outlet for their grain and give them a rate to their market that would enable them to compete with the rest of the world.

The Peace River is the hope of Canada just at the present time. Thousands of homes would be established there at once if the railway were commenced and that would also help to rectify the present economically disturbed condition of the country.

STUPID AND CRUEL HANGOVER

Fannie Hurst, the well known writer, discussing the economic relationships of men and women objects to the customs under which a man always pays for a woman. She says:

"There still persists, even in this age of the emancipation of women, the tradition, for instance, that, regardless of circumstance, it is the man who must foot the bills.

"Of course, there is coming into usage along with the growing participation of women in business, the custom of the woman paying her own dinner check when dining with a man, or even her own carfare when riding with him, but in the main, men are still expected to pay.

"That is a stupid and cruel hangover from a social period in the history of mankind when women toiled not in the open marts, but spun at home.

"The intelligent modern woman will, in time, educate herself to throw out this time-worn and age-barnacled point of view.

"Why should not a sixty-dollar-a-week woman take a fifteen-dollar-a-week male friend to a theatre on the same basis as a man would, were the economic situations reversed? All men are not go-getters in the money sense of the word. Often those very qualities which inhibit him from the struggle can endear him to a certain type of woman."

NATIVE SONS DEFEAT ELKS

Come From Behind to Win Game After Elks Looked Like Sure Winners

In the second game of the local baseball league yesterday afternoon, Sons of Canada nosed out the Elks six to five to make it two games straight. The Elks got away to a fine start with three runs in the opening stanza but weakened in the sixth and seventh when the Sons managed to collect two runs each inning which was just enough to cop the game.

Bill Lambie did the hurling for the winners and was toughed for eight hits including doubles by Arseneau and A. Mitchell. Nick Chenoski went the route for the Elks and allowed nine hits, three of them being for three bases by Lambie, Frizzell and Styles.

Sons scored one run in the first inning after two men were out. Lambie singled to left and scored when Frizzell made a triple to left. Frizzell was caught at the plate trying to stretch it to a home run. Elks came right back and made three in their half of the inning. Farquhar was safe on Moran's error. He went to second when Styles missed a throw to catch him off first. Arseneau singled and Farquhar went to second. W. Mitchell lifted one out to Comadina. Lambie tossed Wendle out at first and Styles threw crooked to home Farquhar scoring. Arseneau scored on Alex Mitchell's single. Mitchell went to second on a passed ball and came home when Stone singled. Chenoski struck out.

Sons added one more in the second. Roberts was safe when Bill Mitchell missed his liner. Stalker singled and Roberts stopped at second and then was stealing third. Styles fanned. Stalker scored when Johnson singled. Comadina struck out.

In the third Elks got another run. W. Mitchell hit a Texas Leaguer to right. He went to second on a passed ball. Wendle singled and Mitchell went to third. and scored on a wild pitch. A. Mitchell flied out to Johnson. Stone struck out and Chenoski lifted a fly out to Comadina which he handled nicely.

Elks last run came in the fifth. Arseneau hit a double to left. W. Mitchell flied out to Comadina. Johnson tossed out Wendle at first. Arseneau scored when A. Mitchell doubled to centre. Stone fanned.

Sons collected two runs in the sixth. Lambie tripled to centre. Frizzell flied out to Farquhar. Roberts was safe on Vacher's error. Chenoski threw out Stalker at first. Styles tripled to centre scoring Roberts. Johnson struck out.

With the score five to four against them the Sons made two in the sixth. Comadina singled. Moran singled. Kenny walked, filling the bases. Comadina scored when Lambie got a life on Wendle's error. Frizzell struck out. Roberts forced Lambie at second, Moran scoring. Stalker struck out.

Tonight the Elks and Millionaires will hook up in their first meeting of the season. As each team has now lost a game, it will be a hard battle to see which team can keep out of the cellar. It is expected Chenoski will again pitch for the Elks, while Jack Nelson will do mound duty for the Money-makers.

KINCOLITH TO REPEAT

Native football team of Naas River Village is Again Out to Win Championship

The fast-moving Sons of Kincolith native football team, holders of the 1930 native football championship of Northern British Columbia, is out to repeat this year and has already won its first two starts, defeating Aiyansh 3 to 1 in one game and Granville one to nil in the second. The latter game was a rough affair typical of engagements between these two teams in which the object is, apparently, to get one's man. H. Danjell, speedy centre forward for Kincolith, has scored all the goals so far this season.

SPORT CHAT

The Regiment football team is having its share of ill-luck. Walter Cross, the promising centre-forward, is out of the game with a dislocated knee. Jimmy Ross has gone back to Scotland and for Friday's game they were also short of Edgecumbe and Redpath. The substitutes did well and with a little more experience this young team will win many games. They give promise that is very gratifying to old timers.

Athletic Club Holds Meeting

Date of Track Meet Changed to June 20—Varied Program of Events Being Planned

On Sunday evening the Spartan Athletic Club held a meeting in the Toc H Rooms with vice-president Phil Edgecumbe in the chair, the chief business being collection of dues and making of arrangements for the approaching club track meet. Owing to the fact that several members would be at a class picnic on June 13, the date of the meet was postponed to Saturday evening, June 20. The meet is to consist of 100-yard dash, 220-yards, broad jump, high jump, hop-step-and-jump, shot put, pole vault and a medley relay consisting of four laps—100 yards, 220 yards, 440 yards, and 880 yards. Four teams, as evenly balanced as possible, have been picked for this relay. The final date for payment of dues to the secretary was set at next Thursday noon.

Before adjournment of the meeting, a hearty vote of thanks was passed to the Toc H for their generosity in donating the use of their rooms to the club.

REGIMENT LINEUP

The Canadian National Recreation Association's softball team staged a come-back by defeating High School representatives in two softball games Saturday evening—the first by a score of 2 to 1 and the second by a score of 8 to 5.

Both games were fast, especially the first in which the score was one all up to the ninth inning in which the railwaymen managed to squeeze in the winning run. In the second game, the railwaymen had one bad inning in which all opposing runs were scored against them.

Batteries were: C.N.R.A., Styles and Skattebol; High School, Allan and Vance.

In the next C.N.R.A. League softball game, Station and Round House will meet tomorrow evening.
