

GOLF NOW THE RAGE

Smithers and Hazelton Vie With Each Other For the Best Courses

STORY OF POLITICS

Olof Hanson Tees Off and Shows How the Game is Played at Ottawa

The two interior towns, Smithers and Hazelton, are competing with each other, not only in baseball and other forms of sport but for which shall have the finest golf course. New courses have been established at both places this year. Smithers commenced with a five-hole course but Hazelton did better with nine. Now the thing will be to make good greens and fairways that will prove attractive to tourists and other visitors who are used to the best.

The story they tell at Smithers is that they heard Olof Hanson, the member for the district, had started the game at Ottawa. He could not expect to be a proper representative for any riding without learning golf as well as public speaking. Dr. Bamford, who also has political aspirations, decided that he too must have political training and learn the proper intonation of the word "fore." He quietly instigated the boys to start a course and show Olof that two could play that game. Wiggs O'Neill joined and the thing was done.

Now, it is the proper thing, if you live at Smithers or Hazelton, to carry a set of clubs, to wear plus fours and to converse easily, using such words as "stance," "stymie" and the rest of golf language.

Hazelton had her official opening on Saturday with Olof Hanson there to tee off first and Dr. Winch and all the rest taking part.

It was a notable occasion. Doubtless Prince Rupert people will take the first possible opportunity of trying out both of these courses and passing judgment on them.

LETTER BOX

Editor, Daily News:

Through the medium of your columns the Spartan Athletic Club hereby issues a challenge to any team in Prince Rupert to run against it on Labor Day in either an 889 yards relay (consisting of four laps of 220 yards each) or a medley relay, consisting of one 880 yards lap, one 440 yards lap, one 220 yards lap, and one 110 yards lap, run in the above order. This challenge is for either one of the above relays, but not for both.

The Spartan Club believes it is the fastest relay team in the city and that belief has yet to be disproved.

Thanking you for your valuable space.

ARCHIE THOMPSON,
Secretary, Spartan Athletic Club.

There were 119 passengers on board the steamer Princess Charlotte which was in port this morning bound from Vancouver to Skagway. Eight persons disembarked from the vessel here.

TRACK MEET NEXT WEEK

Spartan Athletic Club Challenges Any Relay Team in Town

A meeting of the Spartan Athletic Club was held in the Toc H rooms on Saturday evening, the vice-president, Phil Edgcombe, occupying the chair.

It was decided to hold the next club track meet on August 29, which will give the runners time to get into good condition. Most of the members will be in town for this meet and because of this fact, and the fact that it will be held about a week before Labor Day it is expected that it will be a great success. The difficulty during the holiday has been that many of the members have been out of town. The program for the next meet will be practically the same as that of the previous meets.

The club resolved to challenge any city relay team to either an 880-yards relay or a medley relay on Labor Day. Final arrangements for the club meet were left over until the return of the president, J. W. Plommer.

PICNIC IS ENJOYABLE

Pioneers Had Happy Outing Yesterday at Shawatlans Passage

The annual picnic of the Prince Rupert Pioneers' Association at Shawatlans Passage yesterday proved a very enjoyable outing. Favored by weather of the most excellent variety, the affair proved most enjoyable to the 150 persons or so who were in attendance.

Swimming was enjoyed by many and there were also races but the most of the day was spent happily by the old timers recalling early days and early happenings in Prince Rupert.

The picnickers left at noon and all were back safely by 9 p.m. M. M. Stephens' Annie McKay and George Frizzell's Laura F. were the boats used.

There were basket lunches while coffee was provided by the association. A foot race between Mr. Hart and Mr. Storings, one of the real old timers proved of much fun.

President N. Missollem was in general charge of the picnic.

Big Game Hunters Here Today Enroute To Cassiar District

The annual fall migration of big game hunters to the Cassiar district is now commencing. On board the steamer Princess Charlotte this morning was Major James Workman of Ireland who will engage in big game hunting from Telegraph Creek. Also on board were three young Belgians from Brussels—Henry Delwart, Jean Semet and Pierre Solvay—who will also engage in hunting.

HAZELTON BALL TEAM WILL COME

Champions Wish to Play as Unit and Not With Outside Help

Hazelton baseball team is expected to come to Prince Rupert to play against the local team at the time of the fair. It is the champion team of the Bulkley Valley and as such claims the right to play Prince Rupert.

Allen Benson, manager of the team, says he does not see how he could strengthen his team by taking in any outsiders. He has what he considers to be a fast Senior B team that stands a good chance of winning. If it does not win, he says it will give Prince Rupert a real series.

So confident are the people of Hazelton that their team will make a good showing that they are prepared to come down to the fair in large numbers and cheer the boys on.

The Hazelton team seems to have decided to stick together and play as a unit or not at all.

During a visit of Alderman Pullen to Hazelton last week Manager Benson stated the case for his team and the fair board at a meeting yesterday decided to write Hazelton, accepting their proposal.

CONSUL IS A BOOSTER FOR RUPERT

"I must congratulate the people here on their fine city," declared J. Van Ricksdal, consul-general for Belgium, who is visiting the city, to the Daily News. "I think Vancouver people do not appreciate this city, judging from what they say about it. It is a delightful place and should become an important tourist centre."

The consul who is addressing an open meeting in the city hall tonight under Chamber of Commerce auspices, says his country does a large business with Canada the second largest in Europe.

GIRLS WANTED

To enter Contest for America's Most Beautiful Girl

The winner will be chosen during fair week in Prince Rupert and will get a free trip to Los Angeles and back and be entertained lavishly while there.

Entrants must sell 50 tickets to the Big Coronation Ball, the last day of the fair. Nothing else to do but look pretty. It's the chance of a lifetime.

The fair board at its recent meeting decided to enter a candidate in the International Beautequest at Los Angeles in connection with the celebration of the one hundred and fiftieth anniversary of the founding of the city, when the most beautiful girl in America will be chosen.

The local candidate will be chosen at the time of the fall fair and immediately after her selection she will have to leave for the south to get there in time for the big California event. Her expenses going and coming will be paid by the Fair Board but while there she will be the guest of the Ocean Park Businessmen's Association, who are sponsoring the event. The attraction for the candidate is set forth in the following letter from the south.

"Your candidate will be met at the railway station, dock or airport by a committee representing the Ocean Park Businessmen's Association.

"She will be the guest of screen stars at various functions.

"She will be entertained by a reigning star of the screen at her home.

"She will be included in all parties listed as part of the program of the International Beautequest and La Fiesta de Los Angeles.

"She will occupy a position of honor in all gatherings including pageants, parades, spectacles, receptions and, in fact, all events planned for the International Beautequest and Los Angeles' great reception."

Candidates must be between the ages of 16 and 30, unmarried and of good character and the one going from Prince Rupert will be chosen in the following manner:

She or her sponsors must sell 50 tickets at \$1 each for the big coronation ball to be staged on the last day of the fair in the exhibition building. For the one selling the most tickets a prize of \$50 will be awarded.

She may enter without sponsors if she wishes but she must sell the tickets.

The candidates must attend the Exhibition every evening while it is in progress here. On the first night one selection will be made by competent judges. On the second night a second candidate will be chosen by another set of judges and on the third night a third candidate will be chosen by a third set of judges.

These three candidates will attend the coronation ball accompanied by the other candidates and at 9 o'clock, the final selection will be made. Two hours later the coronation will take place here and the following day the winner will be required to leave and travel as rapidly as possible by steamship, airplane and rail to Los Angeles.

Candidates from points around Prince Rupert may enter, such as Anyox, Ocean Falls, Smithers, Terrace, Stewart, Hazelton or other points and they will be required to sell 25 tickets to the coronation ball in order to qualify.

Candidates either in the city or out may be sponsored by organizations who may help them in disposing of tickets or otherwise in connection with the event.

Candidates or their sponsors should notify Secretary Vance of the Fair Association at as early a date as possible and as soon as the tickets are ready may commence disposing of them.
