A Private Income of \$100 a month for Life

.. from age 55!

IF IN GOOD Just picture it. HEALTH

-\$100 A MONTH.

HEALTH

-\$100 A MONTH.

IN CASE OF DEATH

-\$10,000 CASH.

At 55, while still well and vigorous, to come into a private income (over and above other revenues), guaranteed for the rest of your life, of \$100 a month. You simply make yearly or half-yearly deposits of an agreed amount for a specified period, at the end of which you IF IN ILL begin to receive a monthly income for life.

That's only part of the story.

If, meanwhile, through sickness or accident you should become totally disabled, you cease paying premiums and receive \$100 a month during such disability. At age 55, the regular income of \$100 a month, unimpaired, comes into effect.

Look how your family is protected. Should you die at any time before reaching 55, your family receives \$10,000.

This is but one example of a variety of plans which the Sun Life of Canada has for every age, condition, and amount. Fill in and forward this form (which involves you in no obligation) and exact figures suited to your individual need will be sent you.

B. C. Silver Planning Mill-Esperanza Development to Be Resumed-H. S. Munroe Now In South Africa

Directors of the B. C. Silver Mines Ltd. consider that the property has reached the stage when erection of a mill is warranted and this matter is now under consideration. With this in view, development since August 31 has been largely in the way of preparing the ore bodies for milling. This statement featured the report of directors presented to shareholders at the annual meeting of the company recently by C. A. Banks, president and general manager. Mr. Banks stated further that, in preparing ore bodies for milling, a raise from No. 6 level on ------

what is known as the B2 ore body which is still held by British Columhas disclosed values of between \$30 bia shareholders.
