Dr. Wood's

Norway Pine Syrup

Bad Cold On Her Chest Had To Stay In Bed

Mrs. J. C. Winters, Janow, Man., writes:-- I have every reason to praise Dr. Wood's Norway Pine Syrup as it has done me a world of good. I had a very bad cold on my chest, and had to stay in bed two weeks, and could hardly speak on account of coughing so much. I tried every medicine and liniment I could think of, but I got no relief. My husband read about Dr. Wood's Norway Pine Syrup so I decided to try it. I took only one bottle and I am ready to recommend it to anyone with a cold." Price 35c. a bottle; large family size 65c.; at all druggists or dealers; put up only by The T. Milburn Co. Ltd., Toronto, Ont.

OPTIMISTIC REPORT

Last week the president of the chamber of commerce gave a very interesting and optimistic report at the annual has been organized here to operate meeting of that organization. He spoke of the importance the local skating rink. Oficers are: to the city of the construction of the new power plant; was hopeful for the Peace River outlet being at Prince Rupert; pointed to the value of highway construction and showed hope for the new hotel coming to the city. In closing we cannot do better than repeat his own words: "Although the clouds of depression are at present lowering thickly Mr. and Mrs. Bennett of Ootsa overhead, I firmly believe that they will soon begin to dis- Lake were hosts to many friends in perse, and it is my earnest wish that 1931 will see the sun of prosperity burst forth in all its power, and that it will envelop each and everyone of you in its rays of warmth, comfort and well being."

YOUNG THINGS

Every true man or woman is fond of young things. Kittens, babies, chicks are appealing in their innocent enjoy- leymount; George Keep, Prince ment of life. If they are healthy they are happy and they George; w. B. Kerr, Wistaria; R. H. make others happy.

People who are growing older try to keep their youthfulness with all its charm for youth is attractive.

So with cities. Prince Rupert is a youth among cities. No city of its size in Canada is as young. Let us cling to that youthfulness which is the great attraction. Youth is opti- ped to two below zero, it being only mistic. Youth scorns hardship and is alert and keen. We hope that Prince Rupert will hold on to that spirit of youthfulness, cling to her vigor and be always a virile community, continually pushing forward to the better things of life.

CONGRATULATIONS TO MAYOR

We wish to congratulate Mayor Orme on his re-election by acclamation yesterday. It was a compliment to him and endorsement of the work he has done. Undoubtedly he has been zealous in the interests of the city and has shown good judgment. If his second year is as successful as the satisfactory fuel. first, he will have earned the gratitude of the whole community.

CHOOSING A COUNCIL

It would be unwise for the Daily News to express any preferences in connection with the election for aldermen. All are good men. Those seeking re-election undoubtedly Canadian Legion here. "TF I had only known this would happen! So suddenly! So unexpectedly! And when everything looked so promising!

"And to think that time after time he wanted to increase his life insurance and I talked him out of it. How hard I worked against myself and against my own interests. I wanted a bigger house. I wanted luxuries! I wanted everything except the protection he was urging me to accept.

"I got my own way, of course. The Life Insurance was not taken. I robbed the children of their

education, of my care, perhaps of their future success in life. I robbed myself of the children's companionship. For now I must leave them to earn the money needed to keep our little family together - - the money that Life Insurance would have given me if he had had his way --

"-- and I talked him out of it."

It has been truly said that, "If every wife knew what every widow knows, every man would carry adequate Life Insurance".

And too often it is the children who must pay the penalty of the wife's prejudice.
