DAUGHTERS OF EMPIRE EXPECT TO BUILD HALL

All Obligation on Their Property
Paid—Will Now Proceed with
Building Scheme.

BALL ROOM LONG FELT NEED HERE

Now that the two lots on Fifth Ave., near McBride Street, have been fully paid for, the Municipal as well as the subsidiary chapters of the Imperial Order Daughters of the Empire in this city propose devoting their efforts towards the building of a meeting hall and club rooms on those lots. The lots were finally paid for as a result of the successful bazaar held two weeks ago. These lots which have a frontage of 50 feet on Fifth Ave. and are 100 feet long, are fifty feet from the corner of McBride and Fifth on the left hand side facing east. They were bought for the Daughters of the Empire at the first sale here in 1909 at the upset price of \$5,000 and after a long campaign for funds they are finally clear. The ladies of the different chapters are now working on plans for the hall.

Need Great.

The need for this hall is very great for the increasing activities of the order in the city, and a large assembly place would be a decided acquisition as a social centre. There are many cases when a meeting place is needed for large assemblies and often inadequate places have to be used. The proposed hall would always demand a fair rental which could go towards paying for the initial cost of building it.

Speaking to Mrs. J. C. McLennan, regent of the Municipal Chapter, last night, the News learned that definite plans have not yet been formulated, although the ideas are pretty well thought out. In the first place the hall will be used, primarily, as a home and meeting hall for the six different chapters, Municipal, Queen Mary, Adair Carss, Hill 60, Girl Guides and Children's. Mrs. McLennan emphasized the need for the children, on one occasion last summer 700 having gathered to take part in an I. O. D. E. demonstration. There is no convenient place in the city for them to gather except at great cost.

Matter of Finance.

The proposed building would probably be of two storeys. The entire ground floor would be used as a ball room which would be much larger than any in town at the present time. Upstairs would be sitting rooms, women's club room and a library. Also here could be stored the equipment belonging to the various chapters.

It is the hope of the regents of the chapters to interest public-spirited business men in the project. It might be possible to gain their assistance in financing and thus hasten the erection of some such building. This does not mean that the I. O. D. E. would require these men to give money but they could give valuable assistance in promoting their efforts. It is the ultimate desire of the organization to pay for the building themselves as they have paid for their lots.

MEMBER FOR NANAIMO MAY RESIGN HIS SEAT

Ill Health is Worrying J. C. McIntosh Who is Visiting Tacoma.

Continued ill-health has forced Mr. J. C. McIntosh, M. P. for Nanaimo, to consider resigning his seat in the House of Commons, says the Victoria Colonist.

The first public intimation of Mr. McIntosh's intention was given by him to the Cowichan branch of the Great War Veterans' Association a few days ago, when he wrote to express his regret in being unable to attend a meeting.

His letter stated: "If my present condition should not improve within the next month or so, it is my intention to forward my resignation as representative of Nanaimo district in the House of Commons."

Mr. McIntosh has been unwell for several weeks. He contracted a severe cold shortly after his return from Ottawa, and he was confined to his home in Esquimalt for some time. At present he is visiting in Tacoma.

Since learning of Mr. McIntosh's statement regarding his possible resignation at an early date, many of his friends have urged him to retain his post. The pressure of his parliamentary duties have weighed heavily upon Mr. McIntosh, especially during the recent session, although he maintained his usual energy all the way through.

"WHY SMITH LEFT HOME" LAST NIGHT

Dramatic Club's Performance well
Received on Second Night.

Last night again the Prince Rupert Dramatic Club played to a full house in "Why Smith Left Home" at the Westholme Theatre and their second night's performance was thoroughly enjoyed by the audience. Each situation as it arose was carried off splendidly and the ease and confidence of the amateurs on the stage was responsible for a finished production.

The house rocked with laughter right from the beginning and the topical allusions and jokes were much appreciated. Congratulations to the Dramatic Club are in order.
