## Scout Ass'n to Be Formed Here

To Encourage Movement in City and District

At a recent meeting of the Scoutmasters' Association of this city, it was decided to form a local Boy Scouts Association with the object of encouraging and helping the movement in this district. It was also decided to appoint badge committees with the object of examining candidates and awarding proficiency badges. It is felt that, if parents would recognize the importance of their boys joining movements of this kind, less would be read of young boys and older ones too, getting into trouble and having to be sent to reform schools.

A public meeting will be held early in April to give this association a start. Meanwhile membership cards are being sold.

Dominion Constable E. G. Newham, after a holiday trip to Vancouver and Victoria, was a passenger aboard the Catala yesterday afternoon returning to his post at Kincolith on the Naas River.

## 'Reality' Subject of Lesson Sermon In Science Church

The subject of the Lesson-Sermon in all Christian Science churches and societies on Sunday was "Reality."

Among the Bible texts included in the Lesson-Sermon was the following from Luke 5:23: "Whether is easier, to say, Thy sins be forgiven thee; or to say, Rise up and walk?" The Lesson-Sermon also included the reading of citations from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, one passage being as follows: "Reality is spiritual, harmonious, immutable, immortal, divine, eternal. Nothing unspiritual can be real, harmonious, or eternal. Sin, sickness, and mortality are the suppositional antipodes of spirit and must be contradictions of reality."
