of JABOUR BROS., LTD.

With the ordinary closing out, selling out, selling out half sale, liquidating sale, etc., for this sale is positively the most legitimate sale ever held in this district. And folks, I want you to realize the magnitude of this great event. Think what an opportunity it gives me to offer you bargains that will absolutely defy competition. Just grasp this one point please. I am closing out a bankrupt stock that was purchased from the trustees at just a few cents on the dollar, and all to go in one great big melting pot of bargains. Dont' miss it!

This year the Prince Rupert Fair Board is offering substantial prizes for the best individual farm and garden exhibit.

There is a special prize for floral displays.

Several new classes have been added to the flower show section.

The tone of the fair will be improved by the exclusion of the ordinary sideshow touts, the sideshows being mostly in the hands of the Rotary and Gyro Clubs this year.

Growers thoughout the district are cordially invited to exhibit this year and visit the city if possible during Fair Week.

Watch the Daily News for details, both before and after and during the time of the Fair.
