TERRACE

Owing to continued nervous prostration, Rev. E. A. McCarthy, Anglican clergyman, has been ordered to take a month's rest and change of scene.

J. K. Gordon has accepted the presidency of the fall fair board for this year and the new secretary is F. W. Aykroyd. Prospects for the fair next fall are considerably improved.

W. O. Fulton, who was a business visitor on Wednesday, returned to Prince Rupert on Thursday.

Virgil Moore returned to Prince Rupert on Thursday after a short visit to his home town.

There was a most successful turnout at the dance on Friday night given in aid of the DeKergommeaux family who lost all their effects in the recent burning of their home. The whole community seemed to vie one with the other in endeavoring to make the dance an outstanding success and nearly eighty couples were present. Music was rendered by Messrs. Hall, De Kergommeaux, Kirkaldy, Roberts and Garvin and refreshments were provided by L. Martin. A large party from Usk and points east added to the numbers.

PRINCE GEORGE

There is little prospect for a lowering of the mill rate or a cut in electric light rates during the current year. It looked for a time as if there was a hope for both of these but shrinkage in revenue and increase in expenditures on account of unemployment relief have now precluded the possibility of either. So it was reported to the city council at its meeting on Monday last by Mayor Patterson.

H. S. French of Courtenay, transferred here as district agriculturalist has arrived to take up his new local duties. He succeeds C. C. Kelly, who has been transferred to Vancouver Island and will make his headquarters in Victoria.

The police on Monday last arrested J. J. Kelly and Michael Wiseman for questioning in connection with the entering of the premises of the Canadian Legion when a quantity of cigarettes and liquor was stolen.

Herman Carl Winter of Nichol and Miss Emma Hadlow of Vancouver were married at the home of Mr. and Mrs. A. J. Rogers here recenty by Rev. Erich Hopka.

SMITHERS

Local softball enthusiasts are already at work on plans for the coming summer, the railway division of this fraternity having a request before the council at its last meeting for the use of the open space near the station. Ladies as well as men will be active in connection with the sport.

The Smithers junior hockey team proved too big and fast for the C. N. R. juniors of Prince George in games played here on Sunday and Monday last. The locals won the Sunday tilt by a score of 9 to 4 and swept the series by taking Monday's game 4 to nil.

George Wright, well known local railway conductor, had a narrow escape with his life one evening recently when he was ricocheted around the wheels of a moving freight train. As it is, he is now in the Smithers hospital receiving treatment for a fractured shoulder, two fractured ribs, body bruises and severe cuts about the head. He will be nursing his injuries for many weeks. The accident occurred as he swung to the ground from the train, landing on ice when he thought it was gravel.

The Smithers village council has decided to instal the first unit of an automatic electric fire alarm system here.

NEW HAZELTON

Doug Frizzell of Prince Rupert, returning home after a trip through the Panama Canal, was a visitor in New Hazelton from Tuesday morning until Thursday when he continued to Prince Rupert.

Under the auspices of the Hazelton Social Club an enjoyable St. Patrick's concert was held on Monday night last. Contributing to the program were William Lloyd, V. Hawkin, Mrs. Falconer, Miss Margaret Sargent, Miss Marjorie Allen, Mr. Bannister, Miss Mary Sargent, Miss Ethel Tomlinson, A. Sterritt, A. Benson, Miss Thelma Cox, Mrs. A. D. Chappell, L. Andeson, Miss E. Bulwer, Miss A. Gazeley, Mr. Malinson, L. Anderson, V. Chappell, P. York, H. F. Wrinch, Miss Marjorie Sutherland and R. S. Sargent. Over $100 was realized as a result of the entertainment.

Assault Case at Terrace is Further Aired

TERRACE, March 23:—A special meeting of the congregation of St. Matthew's Anglican Church was held in the rectory on Saturday night, Rev. E. A. McCarthy presiding, further to consider the attitude to be adopted in regard to the impending assault charge in which the vicar is the aggrieved party.

The chairman said he had received an ample apology from his assailant and was willing to make representations requesting that the charge be reduced to one of common assault.

A long and at times warm discussion ensued and ultimately it was decided by a vote of eight to seven to support Mr. McCarthy in the course indicated.

'Matter' Subject Yesterday For Science Church

The subject of the Lesson-Sermon in all Christian Science churches and societies on Sunday was "Matter."

Among the Bible texts included in the Lesson-Sermon was the following from Mark 6:56: "And whithersoever he entered, into villages, or cities, or country, they laid the sick in the streets, and besought him that they might touch if it were but the border of his garment: and as many as touched him were made whole."

The Lesson-Sermon will also include the reading of citations from the Christian Science textbook, "Science and Health with Key to the Sciptures," by Mary Baker Eddy, one passage being as follows: "He that touches the hem of Christ's robe and masters his mortal beliefs, animality, and hate, rejoices in the proof of healing,—in a sweet and certain sense that God is Love." (page 569).

K. H. Gray of Vancouver, who is taking over the legal practice at Stewart of R. W. Kennedy, who is now located in Vancouver, was a passenger going north aboard the Catala last evening.
