Kelley Operations At Rockfish Bay Visited By Flames Last Week

Gasoline Donkey Engine, Valued at \$14,000, Is Among Equipment Lost—Country Was Dry and Blaze Swept Quickly Over Bush

Fire, on Tuesday of last week, swept through part of the T. A. Kelley Logging Co.'s operations at Rockfish Harbor, near Thurston Harbor, Moresby Island, and considerable damage was done by the flames including the loss of a \$14,-000 gasoline donkey engine, according to word which has just been received here. The flames swept up a mountain-

side through old logged over country and fire fighters were taxed Son of Premier strenuously for quite a time before the conflagration could be exting-Tolmie Wedded uished. The ground was very dry, having been for some considerable time without rain.

Miss Clare Rose Marries William the exact extent of the damage Fraser Tolmie at Simple Ceremony in Seattle

SEATTLE, July 15:-Dr. and Mrs William Rose of Mayne Island, B.C., announce the marriage of their daughter, Clare, to William Fraser Tolmie, son of Dr. and Mrs. S. F. Tolmic of Victoria, B.C. The wedding took place Monday at the Olympic Hotel, the Rev. Dr. W. A. Major officiating.

The bride wore a white silk suit and had a corsage of gardenias, and her only attendant, Miss Anne Parker, wore a French blue dress, with a corsage bouquet of pink roses and sweet peas. Mrs. Rose was gowned in dark blue georgette, and her flowers were gardenias.

The groom's family is one of the oldest and most distinguished in British Columbia, and has many friends in Seattle.

Sea Cadets Home From Their Camp

Members of the local Sea Cadet Corps, browned and happy after a memorable two weeks' camp at Terrace, returned home on this afternoon's train in charge of Petty Officer Instructor Young, R.C.N.V.R. Despite their bouts with mosquitos, the boys were all loudly telling of the fine outing they had had.

EDMONTON, July 15:-Mystery ore discovered at Great Bear Lake recently contains sensational quantities of silver, it was announced here yesterday.

Samples of the ore, tested by University of Alberta experts, are declared to be of almost unbe lievable richness, assaying over \$2000 to the ton.

IS SLOW

Statement on Salmon Pack is Issued By Chief Supervisor of Fisheries

VANCOUVER, July 15:-Poor runs of fish even for an off-cycle year in many parts of British Columbia, coupled with the facts of fewer fishermen and fewer canneries are conditions combining to make the B.C. salmon pack total this season slow in mounting.

At July 4, according to the weekly bulletin given out by Major Motherwell, Chief Supervisor of Fisheries here, the total pack was 43,265 cases, of which 13,152 cases had been Stewart News Sees One Good Feaaccounted for by Skeena River plants.
