Country Readers of "The Daily News"

To the readers of the Daily News who live out of town, we suggest that the classified columns of the paper provide an excellent medium for the disposal of articles they may have for sale or exchange.

Last season a lady at Smithers did a large business in selling fresh eggs direct from the farm by advertising in this paper.

Chickens, implements, household goods, boats, fishing gear, guns, cordwood, furs and dozens of other articles may be disposed of. The charge is two cents a word but six times goes for the price of four.

Many people get good results. Why not you?
