Acquitted Brought in in Connection With Shooting of Mexican President's Relative

OKLAHOMA, Nov. 23.—William Guest and Cecil Crosby, state police officers, were found not guilty by a jury on charges arising out of the shooting last June of a young relative of the President of Mexico. The officers were able to prove that they had shot before they were fired upon.

Japan Insists on Maintaining Army in Zone of Hostilities; China Will Not Consent Mediating Body Is Criticized

PARIS, Nov. 23.—Comparative peace prevailed in Manchuria yesterday although the Japanese were reported to be alarmed at a mobilization of troops on the Chinese Eastern Railway beyond Tsihiar which is now being held by the Japanese forces. Despite his defeat in the Tsihiar engagement last week, General Mah Chan Shan has gathered up the remnants of his army and has established a provincial government seat at Hailun, terminus of the Hargui-Hailun Railway.

OPTIMISM JUSTIFIED

Hon. H. H. Stevens Addresses Canadian Life Assurance Officers Toronto Convention

TORONTO, Nov. 23.—Urging his listeners to carry on a campaign of optimism which is fairly based on facts so far as Canada is concerned, Hon. H. H. Stevens, minister of trade and commerce, addressed the Canadian Life Assurance officers convention here on Saturday.

For the year ending September 30, 1931, Mr. Stevens declared that there had been a marked improvement in many industries including woollens, textiles, footwear, printing, etc.

The minister also referred to the notable improvement in Canada's trade balance this year and the increase in construction projects including homes.

TRAINLOAD OF WHEAT

Grain Is Continuing to Roll in Large Quantities to Local Elevator

A full train of 38 carloads of wheat arrived last night from the prairies for the Alberta Wheat Pool's local elevator. The house is not half full of grain as yet but, according to railway reports, there is enough wheat on the way to fill it.

No word is available as to when ships might be here to load grain for export.

The trainload of grain arriving this morning together with 51 carloads which came in Saturday night make a total of 129 cars at present remaining to be unloaded in the yards. This morning there were reported to be a total of 385 cars on the territory west of Jasper Park bound here.

OUTLET IS ADVOCATED

H. O. Richer Urges Peace Pass Route Tells of Progress in British Columbia Block

VANCOUVER, Nov. 23.—The Peace River Pass offers an easy grade and good building and operating conditions for a railway outlet for the Peace River country, it is declared by H. O. Richer, who has returned here after a six months' tour of the Peace River country.

Dawson Creek, now the end of steel, is rapidly taking on metropolitan proportions, said Mr. Richer. The Fort St. John district is the finest farming area he ever saw. Hudson's Hope has all the physical requirements and resources to make a great city of the future. All three towns are in the British Columbia block.

Mr. Richer is not much impressed with politicians and governments that cannot decide upon the building of the coast outlet which would open up an empire of enormously productive country and give work for all the unemployed of British Columbia for some time.

Woman Committed On Theft Charge

Mrs. Edith Fitzgerald Sent to Higher Court For Alleged Stealing of Diamond Rings

Mrs. Edith Fitzgerald was committed for trial by Magistrate McClymont in city police court this morning on a charge of theft of four diamond rings. Mrs. Fitzgerald was arrested in Vancouver ten days ago and brought here for trial. She had left the city for the south about a month previous.

It is alleged that Mrs. Fitzgerald stole the rings from friends and then gave them away.
