C YESIGHT-The most valuable of all the senses - is the most neglected and the least understood. Many suffer from ills, which, upon examination, can be traced directly to defective eyesight.

I often restore the delicate and run-down sufferer to robust health. When glasses are properly prescribed, they restore the vision to normal and eliminate all eye strain.

Mark Anthony is at the Westholme.

There was a great crowd out to the great eight-reel superfeature, "Cleopatra" at the Westholme Theatre and none were disappointed. The story of the seductive queen of Egypt who captivated Mark Anthony is told in picture in a most realistic manner and, with Theda Bara as the queen, is a really great film which is well worth seeing.

Now that Egypt is very much in the public eye it is interesting to see the Nile and the scenes of Egyptian life which have changed little in many parts of the coun-
