Dr. Wood's

Norway Pine Syrup

A Severe Cold A Hacking Cough

Mrs. M. K. MacNid, Iona, N.S., writes:—"I took a severe cold and developed a hacking cough. I kept on neglecting it thinking it would leave me like some previous colds I had, but it got worse. I tried every cough medicine I could think of.

A friend dropped in to see me and advised me to take Dr. Wood's Norway Pine Syrup. I purchased a bottle and before I had finished half of it I was completely relieved."
