LIGHTING DEFERRED

City Decides Not to Embark On Ornamental Standard Program

A recommendation from the utilities committee that owing to the existing financial committee, no further extension of its ornamental street lighting system be undertataken at the present time was adopted by the city council at last night's meeting.

Speaking to the recommendation, Ald. Macdonald, chairman of the utilities committee, stated that a result of the requests of some CITALIER answer to a question by Ald. Collart at last meeting of the council. The committee felt that another extensive ornamental street lighting project was unwarranted at project was unwarranted at the present time. The Power Corporation would agree to provide the new lights free for one year and, furthermore, was not agreeable to making an installation at any current attraction at the Capital single time of less than fifty stannumber were being asked by ratepayers. If the new installation were made. it might run the city into an added expenditure of \$2.006 or \$3 000 within a year and, in view of this, the committee did not feel justified in recommending the in- perfection and gives him full onstallation.

Ald. Macdonald moved adoption of the request. In seconding the tractive personality. motion Ald. Pullen agreed that this was no time for large expan-

Guide to Correspondents

The Daily News welcomes correspondence on live topics of the day or any other subject of public interest, but letters must be brief and to the point. The long-winded correspondent has no place in modern journalism.

Every letter must be signed by the writer, not necessarily for publication but as a matter of good faith and courtesy. All unsigned documents go to the waste paper basket. Letters of a caustic character must have the signature appended for publication.

Letter should be written on one side of the paper only. Correspondents must avoid personalities and the language should be such as would be allowed in the ordinary rules of debate.

Balsam	1,247 033	1,043,943
Jackpine	144,532	27,201
		-
		0 100 000

Forest Products

Pole and pile production in Ocober this year amounted to only 1949 lineal feet-10.609 feet ce-'ar and 1.340 feet hemlock-as compared with 423,787 lineal feet n October last year.

Cordwood for October this year of alled 59 as compared with 593 lost year There were 20.023 hewn jes-1. 2-3 fir and 18.820 jackpine produced this October as against 24,632 last year in the same month.

FOR PHONF

City Council Provides For Execution of Pact on Radiotelephone Service

The city council last night gave preliminary readings to a bylaw authorizing the execution of an agreement between the city and the Northwest Telephone Co. providing for the hooking up of this city with a radiotelephone service connecting Prince Rupert with the south. The agreement provides, among principal features, for the installation of a radiotelephone station by the \$1.50 Northwest Telephone Co. at a point in or near the city to which the mu-Johnson's Floor Wax-In the paste nicipal telephone system will be con-800 nected, the entire expense of the installation, including such extensions to the city system as may be necessary, being borne by the comcity will act as commercial agent for the company in handling of messages. It is proposed that the agreement shall take effect on December 31, 1931, and continue in force for a period of ten years.

ine Ola The Miracle Cleaner-For There was a little by-play between cleaning rugs, cars, glassware, Ald. Pillsbury and City Solicitor silverware and many other uses Jones after a report had been made We recommend this as an A-1 by the latter regarding the agreeproduct and ask you to give it a ment between the city and the tele-\$2.00 phone company. Ald. Pillsbury questioned the opinion of the soli-\$1.00 citor that it was necessary or advisable under the Municipal Act 500 that the proposed agreement should be approved by the Lieutenant-Governor-in-council.

After some discussion, in which there was a direct clash of opinion between Ald. Pillsbury and Mr. Jones, other members of the council expressed the opinion that the city solicitor was employed to give his legal opinions and that it was 150 advisable to accept them. The report on this matter from Mr. Jones 230 was then adopted without dissenting vote.

In the course of his report, Mr. Jones advised the council that it had the authority to execute the agreement without recourse to a vote of the ratepayers.

Tony Christian to Put In Excavation

The city council, on recommendation of the Board of Works, gave permission last night to Tony Christian to excavate under the sidewalk allowance in front of his property at the northeast corner of Third Avenue and Market Place. While Mr. Christian agreed to place a fence around the excavation while it was being made as a safeguard against possible accident members of the council felt that he should not be permitted to

So Short Of Breath Would Have To Sit Down

Mr. C. M. Stroeder, Hanover, Ont., writes:-"I could hardly do my work, and after going up or down stairs I had to sit or lie down for a while as I would be all out of breath.

I could hardly go down town for if I walked two or three blocks I was ready to fall over.

I took several boxes of Milburn's Heart and Nerve Pills and am glad to say I have been totally relieved of my trouble."
