## Regiment Defeats Merchants And Takes Lead In Standing For Mobley Football Trophy

There was another good turnout last evening at the Mobley Cup football fixture between the Regiment and Merchants and the former won by two goals to one. The Merchants won the toss and played uphill. The early exchanges were all in favor of the Regiment and the Merchants' defence underwent a severe test. Colussi shot and Walters also had a try but Menzies was safe. DeJong was prominent and had a try but Douglas cleared. Henry and Sid Dickens made a clever run but Watson cleared and then Thurber cleared from Russell. The Merchants' goal had a series of narrow escapes till Menzies saved splendidly by turning Lyons shot over the bar. Then the Merchants' left wing combined cleverly and Sid Dickens scored a neat goal. Walters centred well and, from Wilson's pass, Colussi equalized with a fine shot. The Regiment goal had a wonderful escape when Watson cleared finely from the goal line. Norrington went close from a header and Wilson shot over from close in.

The Merchants had all the better of the first fifteen minutes the Regiment being hemmed in their own half. The Regiment defence was very sound and the Merchants shot poorly. Then the Regiment had more of the game and, with Wilson opening out the play, Norrington and Walters made many raids. Norrington was nearly through but Douglas saved. Walters got away but shot over. Russell and Amor showed neat football but Wingham and Thurber were resourceful. A Dickens shot over and Watson stopped a hard one with his body. Walters got away again and shot. Menzies covered the ball which, however, struck the sand and went off at an angle to give the Regiment the lead. Play was faster with both teams trying to add to their score but full time found the Regiment holding their one goal lead.

### Teams

Merchants — Menzies, Currie, Dowler, Hill, A. Dickens, G. Mitchell, Amor, Russell, McKay, H. Dickens, S. Dickens.  
Regiment — Fidler, Watson, Thurber, Edgumbe, DeJong, Wingham, Walters, Lyons, Wilson, Colussi, Norrington.  
Referee — J. Mitchell.  
Linesmen — T. Kelsey and T. Busanich.

### Interesting Game

The game was always interesting to watch though there was not a great deal of high-class football. On the balance of play a draw would probably have been a satisfactory result but all the goals were clean goals.

Laidler had no chance with the shot that scored and as usual was very reliable. Watson was in rare form at back and saved a certain goal with his wonderful clearance. Thurber was safe. Edgumbe tackled strongly but would be even better did he pass sooner. DeJong was a sound pivot, his heading being clever and his positional play good. Wingham was as good a half as there was on the field. Walters' speed makes him a dangerous wing man and Lyons works hard. Wilson opened out the game but shot

## Round House Won Softball

Defeated Biological Station Four to Three Last Night

In the Canadian National Recreation Association league softball game last night, the Round House managed to win out over the Biological Station by a score of 4-3.

In the first inning both teams scored and in the second inning the Round House brought in a run, making the score 2-1 for the Round House. In the fourth inning, the Biological team scored twice and made the score 3-2 in their favor. Then in the seventh the Round House again scored and evened things up with a 3-all score. No score was made until the ninth, when the Round House, who were last at bat, managed to bring in one run and win the game, but it was very even throughout.

Batteries were Brocklesby and Black for the Biological Station, and Boulter and Skattebol for the Round House.

Tomorrow night the C. N. R. A. will tackle the city in the challenge game of softball and it looks as if it will be a battle to the end. The next league game will be on Tuesday night between the Station and the R. C. N. V. R.

## SPORT NOTES

Another letter has been received by the sports editor of the Daily News from "A SPECTATOR" in regard to J. S. Wilson's participation in senior football activities. "A SPECTATOR" agrees that "J. S. Wilson on the field is one of the best of sportsmen" and that "he has done football in this town a world of good by his interest and coaching of school teams in the junior football competitions." "A SPECTATOR," however, feels that it would be in the interests of better football if more junior talent were tried out in senior football. As it is not the desire of the sports editor to prolong a discussion over which considerable feeling has already been aroused, "A SPECTATOR's" letter is not being published in full at this time.

Address by Rev. Dr. L. P. Jack, principal of Manchester College, Oxford; Col. Panford MacNider, United States Minister to Canada; and Joy Elmer Morgan, editor of the Journal of the National Education Association, Washington, D.C.

will be features of the Canadian United States Recreation Congress to be held in Toronto, Oct. 5 to 9. This is the 18th such gathering, sponsored by the National Recreation Association, but the first in Canada, where progress in public recreation has been rapid during the past ten years. The Earl of Bessborough, governor general of Canada, has agreed to serve as honorary patron of the conference and Rt. Hon. R. B. Bennett, Prime Minister of the Dominion, is the honorary president.

Dr. John H. Finley, associate editor of the New York Times, will preside and Joseph Lee of Boston, president of the N.R.A. will summarize the findings of the conference at its last session. Sustaining public support of recreation during the present period of industrial depression will be one of the most important topics on the program. Among the other subjects will be revenue producing facilities in park and recreation systems, the extension of park re-

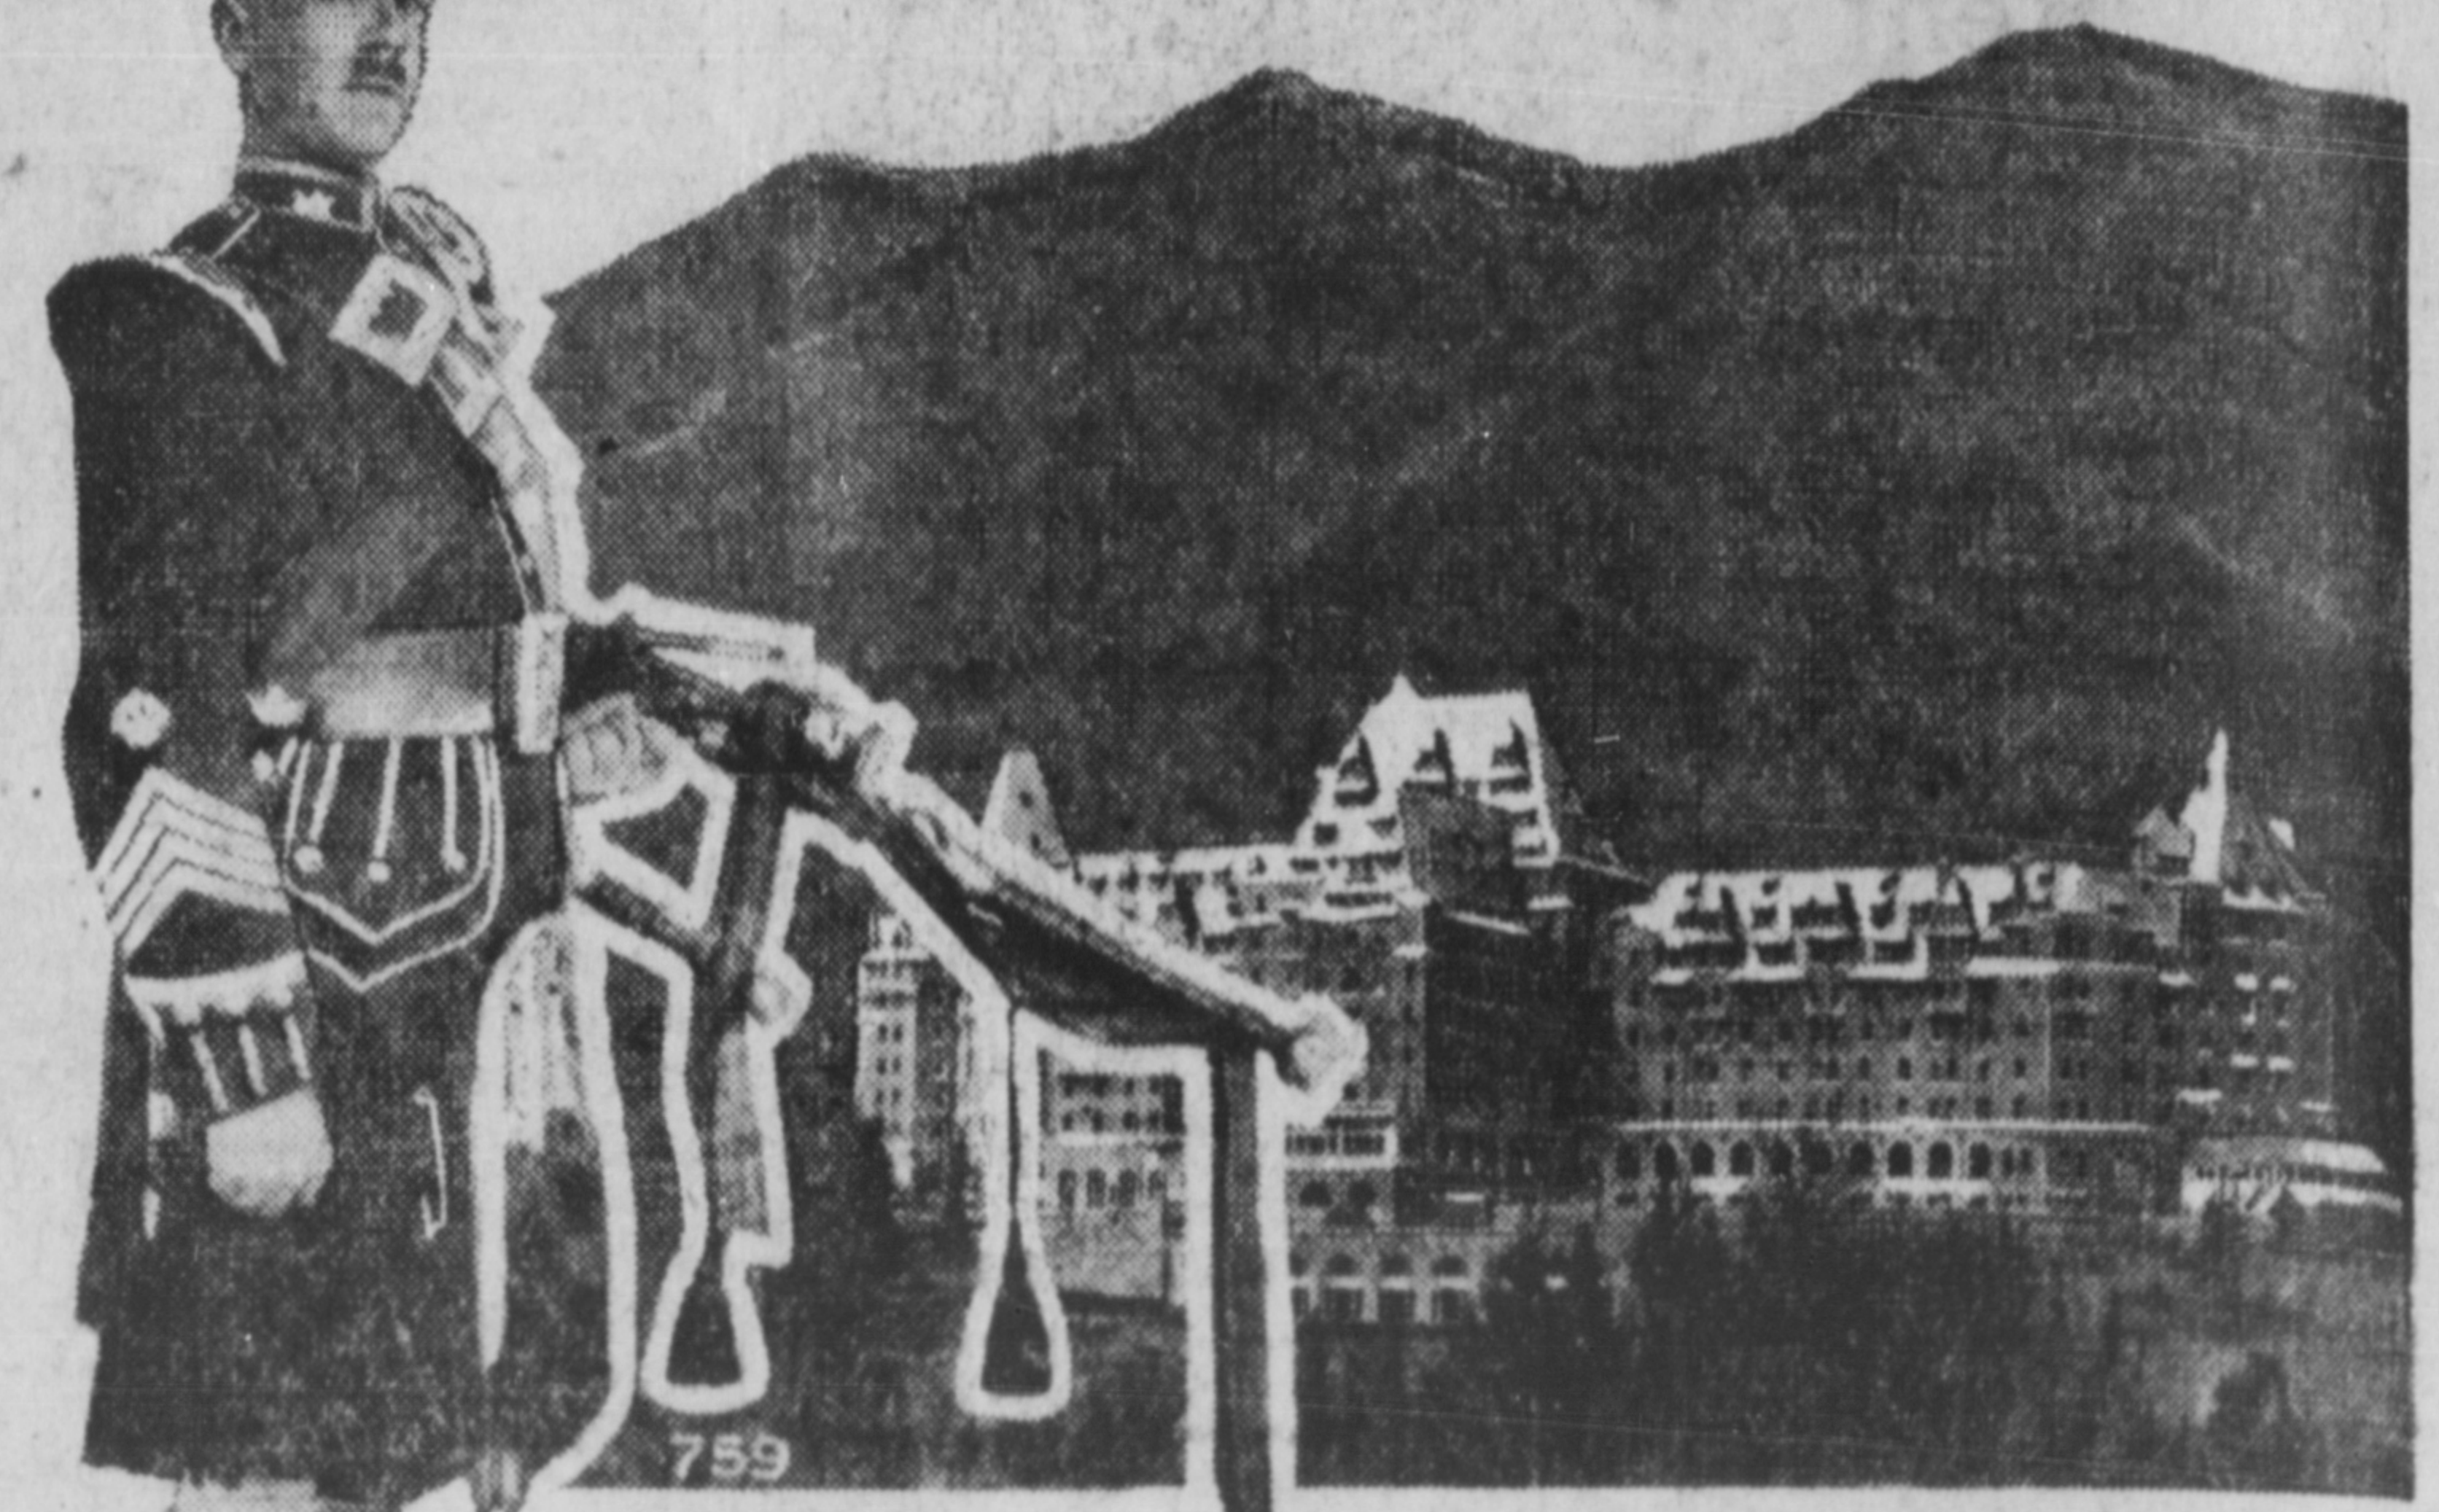

creation service, trends in pre-school play, rural recreation, recreation among religious groups, industrial recreation, winter sports and trends in girls' athletics.

A concert by the Mendelssohn choir of 300 voices, a program by the 65 piece symphony orchestra of Niagara Falls, New York; native folk dances by Swedish and Ukrainian groups in Hamilton, Ontario; social dancing and games, and a tour of Toronto are among the attractive entertainment features arranged for the convention. The American Institute of Park Executives is scheduled to meet in the same city a week prior to the opening of the Recreation Congress. Exhibits of playground and recreation equipment, books, and supplies will be on view in the Royal York Hotel, headquarters of the convention. Consultants in nearly every phase of the public recreation program will be on hand for free service to all delegates.

## CANADIAN ROCKIES ECHO WI' SKIRL O' THE PIPES

From the four corners of Canada and from across the seas, men, women and children of Scotch ancestry are preparing to meet at the Canadian Pacific Railway's palatial Banff Springs Hotel, Banff, Alta., for the annual Highland Gathering, August 27-30, 1931. The event, which has become historic, is under the distinguished patronage of H.R.H. the Prince of Wales and will be formally opened by H.R.H. Prince Sukhodaya of Siam. A feature of this year's program will be the inter-regimental piping competition between representatives of the 17 Highland Regiments in Canada. There will also be the other bagpipe competitions and displays which have made the Gathering famous, as well as dancing and highland games. The meeting always draws a large gallery, in addition to the army of costumed participants. Juvenile competitions in piping and dancing are particularly attractive. In addition to the regular events, two Scotch light operas, "Prince Charming" and "Prince Charlie and Flora" will be presented by members of the resident company. The setting is ideal for the Gathering; the peaks of the famous Canadian Rockies, with their gracious valleys and spray-flecked streams forming a magnificent background for the Banff Springs Hotel, which is built in the Scotch baronial style.

## NORTHERN B. C. NEWS

### PRINCE GEORGE

Dr. R. W. Alward, M. L. A. for Fort George, returned on Monday from Victoria where he interviewed Premier Tolmie and Hon. R. W. Bruhn, minister of public works, in regard to matters of interest to the riding. The member was informed that relief work on the Cariboo highway would start soon, grading and ditching to follow close behind clearing and grubbing work.

Local anglers are keen in the efforts to hook the big char in Clucul Lake in order to win a cup which has been put up by a Vancouver company. Paul Therres has brought in the largest to date, this one weighing 22 pounds and 12 ounces. The competition does not close until November 1. Ivor Guest was the winner of a \$10 prize offered by H. G. Perry for the largest fish caught up to July 1, his fish weighing 22 pounds and eight ounces.

A further cut of one and one-fifth cents per month has been made by the city council in electric lighting rates here.

### NEW HAZELTON

A veterinary surgeon may be located in the Bulkley Valley before long if the necessary money can be raised. The provincial government has provided the sum of \$400 to assist a veterinary surgeon to establish himself in the district providing the district can raise a similar amount itself.

The Hazelton baseball team, which journeyed to Telkwa on Sunday last and won a game there seven to three, will start today on a tour of the central interior. The first game will take place in Burns Lake and the team will travel as far as Quesnel.

Richard W. Sargent and Ethel M. Tomlinson of the Hazelton Superior School were successful in passing the recent Grade 11 examinations.

T. J. Conrad, Toledo journalist, and party were here recently in the course of a motor tour. They were keenly delighted with the scenic beauties of the district and declared that it had been one of the most enjoyable holidays they had ever spent.

Dr. and Mrs. Leonard B. Winch, who was married recently, are moving into their new home at the end of this week.

## SMITHERS

Harland Lewis of Smithers suffered severe knee injuries in an automobile accident last Saturday when his car overturned near Lake Kathryn. He will have to spend some time in hospital.

Miss L. Rendle of Victoria is visiting in Smithers as the guest of Mr. and Mrs. John McKenzie.

Fred Giraud, Douglas Kerr, Herbert Leach, Luella Llewellyn, Fred Small and Geraldine Warner, all of Smithers, were successful in Grade XI High School examinations, results of which were announced recently.

Mrs. W. J. Tomlinson of Revelstoke, is paying a visit here with her son and daughter-in-law, Mr. and Mrs. V. W. Tomlinson.

## Guide to Correspondents

The Daily News welcomes correspondence on live topics of the day or any other subject of public interest, but letters must be brief and to the point. The long-winded correspondent has no place in modern journalism.

Every letter must be signed by the writer, not necessarily for publication but as a matter of good faith and courtesy. All unsigned documents go to the waste paper basket. Letters of a caustic character must have the signature appended for publication.

Letter should be written on one side of the paper only. Correspondents must avoid personalities and the language should be such as would be allowed in the ordinary rules of debate.
