Halibut Prices Reach Low Level-P. M. L. 8 In Commission Again—Seal Snout Racket Broken Up

Halibut landings at the port of Prince Rupert for the 1931 season up to and including July 31, totalled 9,550,240 pounds of which 3,942,600 pounds was from Canadian boats and 5,607,640 pounds from American vessels. For the week of July 24-31 inclusive landings amounted to 574,700 pounds including 295,200 pounds Canadian and 279,500 pounds American fish.

Prices during the week of July 24-31 struck a new low average. As a consequence, many of

the American boats did not come Stanley Burke, president of the into Prince Rupert with their cat- company, has announced that the ches but went to Seattle or market- operation of the concern this year ed in Alaskan ports.
