### Have you enough Life Insurance?

No matter how large or how small your estate, it will suffer heavy deductions before it reaches your wife or family. Doctors, nurses, hospitals, undertakers, lawyers, etc., not to mention succession duties, if the estate be considerable, will reduce the net amount payable to your heirs by anything from 10% to 25%.

Take your pencil and try a simple sum in arithmetic, using an actual case as an example:

Estimated value of my real estate, securities and other assets	\$2,000	\$
