THE FAMOUS

ONE of the most famous Kellogg features is the patented waxtite bag that brings all Kellogg's Cereals deliciously fresh to your table.

This waxtite bag is an exclusive Kellogg feature. It is actually sealed against moisture, odors and contamination. No wonder Kellogg's Rice Krispies taste so delicious-and are so crisp they actually pop and snap!

Have them for breakfast tomorrow. Enjoy for lunch with fruits or honey added. Great for the children's supper. Nourishing and easy to digest.

Fine to use in recipes. Make delicious macaroons, candies, desserts. Order from your grocer. Keep a red-and-green package in the pantry. Made by Kellogg in London, Ontario. The only cereal so crisp it crackles in cream.

No wonder Carnation-made dishes are so delicious. The best of milk from selected herds, safeguarded at the source by clean housing of the cows and clean handling of the milk, is evaporated to double richness for Carnation Milk and hermetically sealed in its containers to protect it until it reaches you. You'll find it absolutely dependable, extremely convenient and surprisingly economical.
